OA 2875/2004 was disposed of with the following orders:

- "22. For these reasons, we pass the following order:
  - a) The impugned orders are quashed.
  - b) The applicant should be taken back in service against the post to which he was recruited at Jeddah.
  - c) He will not be entitled to any arrears from the date he resigned till date."
2. In compliance of aforesaid orders, orders had been passed by the Consulate General of India, Jeddah which are at pages 34 and 35 whereby the

applicant was reinstated and was directed to report in the Consulate General of India, Jeddah within 30 days of receipt of the letters. The Ministry of External Affairs also issued similar letter. It is the case of applicant that he was recruited locally at Jeddah. Learned counsel for applicant submits that respondents are still in contempt because they are not issuing him letter to facilitate him to obtain necessary VISA and sponsor letter / employment certificate.

3. In our view, this contention of the learned counsel has no merit and the order passed by the respondents itself shows that they have given him employment and have directed him to report to Consulate General of India, Jeddah within 30 days of issue of the letter. Since the applicant was recruited on local basis at Jeddah itself, so there is no question of issuing sponsor certificate. The aforesaid two letters issued show that the applicant has been given employment at Jeddah itself. We find that the respondents have not committed any contempt of court. Accordingly Contempt Petition is dismissed and notice discharged.
