application seek a direction to the respondents to grant second financial upgradation under the Assured Career Progression Scheme from the date of completion of 24 years of service in the grade of Rs.5000-8000.

2. The brief contention in this regard is that the applicants have not earned second promotion and, therefore, on completion of 24 years of service, they are entitled to the second upgradation.

3. It appears that in R.A.198/2001 in O.A.1073/2001, a plea had been taken that applicants had already earned two promotions but no details in this regard are forthcoming. No order even has been passed on the representations of the applicants seeking second financial upgradation to which we have referred to above.

4. At this stage when the matter is still under consideration, we dispose of the present application directing respondent no.2 to consider the representations of the applicants pertaining to the abovesaid controversy and preferably pass a speaking order within six months of the receipt of the certified copy of the present order and communicate it to the applicants. O.A. is disposed of.
