O R D E R (ORAL)

Shri Sarweshwar Jha,

Heard the learned counsel for the applicants.

2. This is the second round of litigation. The applicants had earlier approached this Tribunal vide OA 2495/99 which was decided on 22-3-2000 with directions to the respondents that they will consider the appeal/representation dated 15-12-98 as submitted to them and, after taking into account the observations made in the orders, including the judgement of the Hon'ble Supreme Court in the case of similarly placed applicants and also the decisions of the Tribunal in OA 969/89 and 98/90 (Madras/Jabalpur Bench) and, further that in case the applicants were found similarly placed, they shall be entitled to similar benefits of double rate OTA. It is observed that the respondents have allowed them the benefits as given to similarly placed persons in the OAs as mentioned above from the date of filing of the said OA. The applicants are, however, not satisfied with the reliefs having been given to them from the date of filing of the said OA. Their submission is that they had first approached this Tribunal vide OA 2418/96 and, therefore, they should have been given the benefit of double OTA from the date of filing of the said OA. He has also referred to the fact that earlier the case of the applicants was rejected by

the respondents on the ground that they were not the parties to the OA as had been decided by the Tribunal as referred to above and hence their representations made on the subject had been rejected accordingly.

3. On consideration of the submissions made by the applicants in this OA, I am inclined to dispose of this OA at this stage itself while hearing on the point of admission without issuing notices to the respondents with directions that they consider the submissions made by the applicants in this OA and verify whether, in the light of the decisions already given in their cases as well as in other similarly placed cases, they are entitled to the benefits being given to them w.e.f. the date that they had filed their previous OA, namely, OA 2418/96. In order to facilitate proper consideration of the matter, it is also directed that a copy of this OA along with a copy of the present order be made available to the respondents who will be considering it, treating it as a further representation of the applicants on the subject, and disposing it of, as directed above, within a period of three months from the date of receipt of a copy of this order.

4. The OA thus stands disposed of in terms of the above directions/observations.
