Order(oral)

(delivered by Hon'ble Mr. Justice S.K. Dhaon, Vice-Chairman)

The complaint in this petition is that despite the direction of this Tribunal to give an appointment to the petitioner within a period of two months from the date of receipt of a copy of the judgement, no such appointment has been offered.

In paragraph 3 of the application it is averred that the respondents are insisting upon the petitioner for a second medical examination. The direction of this Tribunal does not prohibit the respondents from holding a medical examination. It is thus clear that the appointment has not been offered to the petitioner because she has not appeared before Medical Board. If the petitioner agrees to a medical examination, ~~then~~ the respondents shall hold a medical examination within a period of one month from the date of receipt a certified copy of this order. The Authority thereafter shall pass ~~the~~ necessary orders in
