ORDER(by circulation)

Shri P.T.Thiruvengadam, Member(A)

This review application has been filed for
 reviewing the judgement of this Tribunal passed on
 30.1.95 in OA No.1856/1992.

2. On scrutiny of the review application, I do
 not find that the applicant has established any
 mistake or error apparent on the face of the record
 with reference to the order already passed. No new
 or important matter for evidence which could not be
 mentioned earlier and which came to the knowledge
 of the applicant subsequently, has now been cited.
 The same arguments as advanced during the hearing
 are sought to be reagitated.

3. Thus, the review application does not fall within the four corners of Order 47, Rule 1 CPC, wherein the jurisdiction of this Tribunal to review its judgement is circumscribed. Accordingly, the review petition is dismissed as devoid of merits. No costs.
