Original Application No. 1576/92 was decided
by the order dated 20th August, 1992 by the following
directions to the respondents:

- a) The applicant shall vacate the premises immediately
and shall try to get an accommodation for him by
virtue of the letter dated 23.8.1992; It is expected
that it will take hardly one month;
- b) The Assistant Directorate of Estates shall also
provide him the premises on ad hoc basis which
has been earmarked for him;
- c) The respondents shall, therefore, charge only
double the licence fee for the period the applicant
stays after the prescribed authorised period;
- d) In the circumstances, the parties shall bear their
own costs.

The applicant has filed the Review Application
on 20th April 1994 alongwith the M.A. 1342/94 for
condonation of delay. The ground taken for condonation
of delay is that the applicant has been filing Miscellaneous
Applications and ultimately filed CCP OF 355/93 and CCP of

10

10/94 which were rejected. The applicants had not given any ground for condonation of this long delay of about more than one and a half years except that he was pursuing different proceedings by way of Misc. petitions and contempt petition. This is no ground for condonation of delay. The Review Application is, therefore, barred by time and is dismissed.
