ORDER (Oral)

By Mr. Justice Ashok Agarwal, Chairman

An order which is sought to be reviewed is
an order ^{passed} on merit. Applicant was not present when
the OA was decided. However, merely because he was
absent ^{make this} does not ¹ a fit case for review. We are not
inclined to re-entring into the merits of the
^{as that is not the scope & ambit of a review application.}
matter ¹ Hence the present Review Application is
rejected.
