This case has been listed at Serial No.6 in today's cause list. In the circumstances, we have perused the pleadings. We note that after the replies were filed by the respondents in December, 1993, the applicants had not filed any rejoinder to rebut the averments made by them. The applicants have challenged the provisional seniority list dated 8.8.90 and the final seniority list dated 30.10.91. This O.A. has been filed on 5.6.93. The official respondents in their reply have taken a preliminary objection that the application is barred by limitation. We find that the applicants have not even filed a Miscellaneous Application for condonation of delay. In the circumstances of the case, the application is barred by limitation under Sections 20 and 21 of the Administrative Tribunals Act., 1985.

2. Apart from that since none had appeared for the applicants even on the previous date and no rejoinder has been filed, it appears that the applicants are not interested in pursuing their cases and have accepted the stand taken by the respondents in the case.

3. In view of the above facts and circumstances of the case, the OA is dismissed. No order as to costs.
