O R D E R (ORAL)

HON'BLE MR. JUSTICE V. RAJAGOPALA REDDY, VC(J)

A challenge is made in this O.A. about the rejection of the application of the applicant by the respondents for the post of Trained Graduate Teacher in the category of Hindi.

2. The grievance of the applicant is that though she had furnished all the requirements as per the advertisement and the rules governing the post of T.G.T. Hindi, her

application was rejected as ineligible. The applicant is a Bachelor of Arts and holds Master Degree in Sankrit besides Bachelor Degree in Education (B.Ed.). As per the requirements stipulated in the advertisement for the post of T.G.T. Hindi, one should hold a Degree in the concerned category from a recognised university with minimum 45% marks and Diploma/Degree in teaching/education from a recognised university. Claiming that the applicant had fulfilled all the above requirements, she challenges the rejection of her application.

3. In the counter reply filed by the respondents it is stated that the applicant had applied for the post of T.G.T. (Hindi) and for that post it was essential for a candidate to have studied Hindi as main subject at graduation level. Since the applicant had not studied Hindi as main subject at the graduation level, she was found ineligible and her application was accordingly rejected. Learned counsel for applicant submits that the advertisement does not disclose that for the post of T.G.T. Hindi one should necessarily have studied Hindi as a main subject. We do not agree. In the advertisement it has been clearly stated that a candidate should hold a degree in the concerned category. In the instructions which were supplied alongwith the application for the post of T.G.T. in the subject of Hindi the code is given as H-5. Admittedly the applicant has applied for the post of T.G.T. Hindi (H-5) and hence it cannot be stated that unless the candidate passes degree in the subject of Hindi he is not eligible to apply for T.G.T. Hindi. The application of

the applicant was, therefore, rightly rejected.

4. This OA is, therefore, devoid of merit and is accordingly dismissed. No order as to costs.

5. However, before parting with this case, we direct the respondents to return the original certificates to the applicant which are alleged to have been with the respondents, if they have not been returned so far, within a period of one week from the date of receipt of a copy of this order.
