The applicant is working as Junior Accounts Assistant in the office of the Senior Accounts Officer (Construction), Northern Railway, Allahabad. for being allotted a Quarter in Civil Lines. It has been indicated in the O.A. that one Quarter No. 56C-D in Traffic Colony, Nawab Yusuf Road, Civil Lines, Allahabad has been vacated by one Shri K. C. Gaur in the last week of February. The applicant claims that he can be allotted this quarter. From the documents, it appears that the Senior Accounts Officer (Construction), Northern Railway, Allahabad through his letter dated 4th April, 1995, a copy of which is Annexure-A-7 has already made a request to the Deputy Chief Engineer (Construction), Northern Railway Allahabad to allot this quarter to the applicant. But, this quarter falls under the different pool than the Accounts. The applicant states that the quarter has not been allotted to him. The representation, if any, made by the applicant with a specific request for allotment of Quarter No. 56C-D in Traffic Colony, Nawab Yusuf Road, Civil Lines, Allahabad can be considered by the authorities concerned. The Deputy Chief Engineer (Construction), Northern Railway, Allahabad has not been <sup>impled</sup> ~~made~~ as <sup>an</sup> Opposite party in the present O.A.. In these circumstances, it is difficult to entertain the petition or pass any order. The O.A. is accordingly dismissed as premature. We however, make it clear that nothing in this order will effect the consideration of representation made by the applicant for allotment of quarter or for the applicant to file an O.A. if he is aggrieved by order that may be passed by the authorities.
