(By Hon. Mr. T. L. Verma, Member-J)

The above Misc. Applications have been filed  
seeking review of the order dated 4.11.1996 passed in

O.A.No.1642 of 1994 and other connected O.As.

2. O.A.No.1642 of 1994 and other connected O.As. involved common questions of law and facts hence were disposed of by common order dated 4.11.1996. The Review Application No.37 of 1997 and other connected Review Applications arising ~~out~~<sup>of</sup> the said order are, therefore, being disposed of by this common order.

3. The applicants, who, in all the O.As. were voluntary Mobile Ticket Collectors had filed their respective cases for quashing order whereby their services were dis-continued on the post of Mobile Ticket Collector and for issuing a direction to the respondents to extend the benefit of temporary status alongwith C.P.C. scale to the applicants who had completed more than 120 days continuous service and to treat them as temporary railway servants.

4. Some of the Mobile Ticket Collectors, whose services were similarly dispensed with, filed a number of cases. A bunch of 73<sup>such</sup> cases, leading case of which was O.A.No.83 of 1993 was heard and disposed of by a bench of this Tribunal <sup>Comprising</sup> Hon'ble Vice-Chairman and Hon'ble Mr. K. Muthukumar, Administrative Member. The <sup>and</sup> bench dismissed the O.As. and held that, Voluntary/ Mobile Ticket Collectors and Mobile ~~Ticket~~<sup>Booking</sup> Clerks are two different cadres and the instructions issued by the Railway Board by letter dated 6.2.1990 are applicable to the category of Mobile Booking Clerks only. Shri Shiv Shanker, the applicant of O.A.No.479 of

1993 challenged the decision in the aforesaid case by filing Special Leave Petition before the Hon'ble Supreme Court. The Hon'ble Supreme Court has reversed the above finding by setting aside the order of the Tribunal. The cases of the applicants in the O.As., the judgment of which is being sought to be reviewed in this Misc. Application, are in pari-materia with the case of Shiv Shanker allowed by the Hon'ble Supreme Court. We, therefore, by order under review held that their cases will abide by the decision of the Hon'ble Supreme Court in Civil Appeal, of the said Shiv Shanker. In ~~connected cases~~ other words the direction of this Bench that the cases of applicants of O.A.No.1642 of 1994 and other connected O.As. will be examined in the same manner as in the case of Shiv Shanker, the applicant in O.A.No.479 of 1992. The direction in this O.As. therefore, obligates the respondents to examine the cases of the applicants of O.A.No.1642 of 1994 and other connected O.As. in the light of the decision of the Hon'ble Supreme Court.

5. We have perused the Misc. Review Applications and the order sought to be reviewed and we find that neither any error apparent on the face of the record has been shown nor it has been brought to our notice that material facts having bearing on the merit of the case, could not be brought <sup>and</sup> ~~at~~ with exercise of due diligence at the time order was passed, have subsequently been discovered, warranting review of the order. We, therefore, find no merit in the review application No. 37 of 1997 and the connected Review Applications. The petitioners, in fact, are seeking fresh judgment on merit which is not permissible

-14-

within the scope of review.

6. In view of the above we find no merit in these review applications and dismiss the same as not maintainable. A copy of this order be placed in the record of all the review applications.

seeking review of the order dated 4.11.1996 passed in

O.A.No.1642 of 1994 and other connected O.As.

2. O.A.No.1642 of 1994 and other connected O.As. involved common questions of law and facts hence were disposed of by common order dated 4.11.1996. The Review Application No.37 of 1997 and other connected Review Applications arising ~~out~~<sup>of</sup> the said order are, therefore, being disposed of by this common order.

3. The applicants, who, in all the O.As. were voluntary Mobile Ticket Collectors had filed their respective cases for quashing order whereby their services were dis-continued on the post of Mobile Ticket Collector and for issuing a direction to the respondents to extend the benefit of temporary status alongwith C.P.C. scale to the applicants who had completed more than 120 days continuous service and to treat them as temporary railway servants.

4. Some of the Mobile Ticket Collectors, whose services were similarly dispensed with, filed a number of cases. A bunch of 73 cases, leading case of which was O.A.No.83 of 1993 was heard and disposed of by a bench of this Tribunal <sup>anch</sup> Hon'ble Vice-Chairman and Hon'ble Mr. K. Muthukumar, Administrative Member. The <sup>and</sup> bench dismissed the O.As. and held that, Voluntary, Mobile Ticket Collectors and Mobile ~~Ticket~~<sup>Booking</sup> Clerks are two different cadres and the instructions issued by the Railway Board by letter dated 6.2.1990 are applicable to the category of Mobile Booking Clerks only. Shri Shiv Shanker, the applicant of O.A.No.479 of

1993 challenged the decision in the aforesaid case by filing Special Leave Petition before the Hon'ble Supreme Court. The Hon'ble Supreme Court has reversed the above finding by setting aside the order of the Tribunal. The cases of the applicants in the O.As., the judgment of which is being sought to be reviewed in this Misc. Application, are in pari-materia with the case of Shiv Shanker allowed by the Hon'ble Supreme Court. We, therefore, by order under review held that their cases will abide by the decision of the Hon'ble Supreme Court in Civil Appeal, of the said Shiv Shanker. In ~~consideration of the said~~ other words the direction of this Bench that the cases of applicants of O.A.No.1642 of 1994 and other connected O.As. will be examined in the same manner as in the case of Shiv Shanker, the applicant in O.A.No.479 of 1992. The direction in this O.As. therefore, obligates the respondents to examine the cases of the applicants of O.A.No.1642 of 1994 and other connected O.As. in the light of the decision of the Hon'ble Supreme Court.

5. We have perused the Misc. Review Applications and the order sought to be reviewed and we find that neither any error apparent on the face of the record has been shown nor it has been brought to our notice that material facts having bearing on the merit of the case, could not be brought ~~with~~ <sup>and</sup> with exercise of due diligence at the time order was passed, have subsequently been discovered, warranting review of the order. We, therefore, find no merit in the review application No. 37 of 1997 and the connected Review Applications. The petitioners, in fact, are seeking fresh judgment on merit which is not permissible

within the scope of review.

6. In view of the above we find no merit in these review applications and dismiss the same as not maintainable. A copy of this order be placed in the record of all the review applications.
