O R D E R ( Oral )

By Hon'ble Mr.C.S. Chadha, Member (A)

The applicants have claimed that they have worked as a casual labourers in the year 1992 and were 1994, and that they ~~were~~ disengaged with an oral order. The relief claimed is that the petitioners should be re-engaged as has been done with their juniors. A relief has also been claimed that the respondents should place them on the seniority list of casual employees. Counsel for the respondents has brought to our notice that there is no proof of working of the applicants at any time in the department. Merely making an averment that they worked some time in the year 1992 and 1994, does not give them any right for re-engagement. According to their own admission, they filed the O.A. in the year 1997. Even if it is assumed that they were disengaged in the year 1994, the application of 1997 is highly time barred. Since there is no proof whatsoever they having worked even in the year 1994, this application has no legs to stand on. The O.A. is totally misconceived and dismissed. No costs.
