By Hon'ble Mr. Justice RRK Trivedi, V.C.

By the order dated 13-10-1997, the case was directed to be listed after the judgement of the Larger Bench. The judgement by the Principal Bench in OA No.493 of 1997 has been received. The Full Bench has answered the question in the following manner:-

"Excepting those specifically covered by clauses (b) and (c) of Section 14(1) A.T. Act, the CAT has no jurisdiction to entertain applications from employees of local or other authorities within the territory of India or under the control of the Govt. of India and to corporations or societies owned or controlled by Govt. (not being a local or other authority or coproation or society controlled or owned by a State Govt.) unless the same have been notified under Sec. 14(2) A.T. Act".

2. The Full Bench has answered the question against the applicant regarding the maintainability of the OA. Thus, this OA is liable to be dismissed. It is not in dispute that the Notification under Section 14(2) has not been issued in respect of the Society in question, the National Institution of Hydrology, Jal Vigyan Bhawan, Roorkee, district Haridwar. Accordingly the OA is dismissed as not maintainable with no order as to costs.
