This application has been filed seeking a direction to the U.P.S.C to produce the answer sheet of the applicant for the Civil Services(preliminary) Examination 1997 and also to declare the applicant successful in case there appears to be any mistake in declaration of the result.

2. The applicant has stated that he appeared in the 1994 examination and declared successful both in preliminary as well as in the mains examination but did not qualify in the interview. He appeared in the examination again in 1996 and and he qualified in the preliminary examination but was not called for interview after the mains. He appeared in 1997 examination also but has failed in the preliminary examination. The applicant states that in view of his performance in 1994 examination and 1996 examination, his failure in the preliminary examination itself in the 1997 Civil Services Examination appears to be very strange and he suspects that there has been some mistake in evaluation of his answer sheets. Thus the prayer aforementioned.

3. When the case was called out none appeared for the applicant. We have carefully considered the submissionⁱⁿ and^{OA}. Merely because the applicant had done well in earlier examinations cannot be a guarantee to perform well in subsequent examination also particularly when it is an All India Competition Examination in which several lacs of candidates appear. The applicant has not made out any case for our interference. We, accordingly dismissed this OA summarily.
