the respondents not to revert the applicant from the post of Electric Signal Maintainer and not to regularise the applicant on Group 'D' post against his will. The applicant has brought on record order dated 28-12-97 by which the applicant was screened for Group 'D' post and was regularised.

2. The respondents in their counter reply have stated that the applicant was screened alongwith others on the basis of record and orders for his regularisation were inadvertently passed. When the mistake was noticed, the respondents have recalled order dated 29-12-97 by the order dated 10-9-98. In view of this reply of the opposite parties the wilful disobedience of interim order dated 9-10-97 in O.A.No. 1049/97 is not established. The contempt proceedings therefore are dropped and notices issued to the opposite parties are ~~recalled~~ discharged.
