BY HON.MR.JUSTICE R.R.K. TRIVEDI,V.C.

By this OA u/s 19 of A.T.Act 1985 applicant has challenged the order dated 19.9.2000 by which claim of the applicant for payment of family pension at the higher scale, treating the late husband of the applicant entitled for the scale of Scientist S-II <sup>at</sup> has been rejected. The husband of the applicant died on 25.7.1981. The representation of the applicant has been considered and it has been rejected on the ground that though late Dr.Srivastava was considered and recommended for the promotion to the grade S-II by the Board for the period ending 1981, the promotion to the grade S-II would have accrued to him w.e.f. 1.7.1982. The husband of the applicant died about a year before promotion could accrued to him, the applicant cannot claim the payment of family pension according to the grade <sup>of</sup> S-II. The

representation has been rightly rejected. I do not find any good ground for this Tribunal to interfere with the order.

The OA has no merit and is dismissed. No order as to costs.
