(BY CIRCULATION)

(By Hon'ble Mr. S. Dayal, AM)

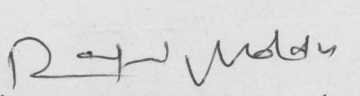

This Review Petition has been examined by us under rules of circulation.

2. The applicant in this review petition was respondent in the O.A.

3. The narration in review petition reads as if the respondents consider the review as second opportunity to present ~~the~~<sup>the</sup> case. The purpose of review is not to furnish a second opportunity to the parties to state their case on merits after the judgment has been pronounced. The purpose of review is only to correct any error which is apparent on the face of record or permit introduction of new facts, which have vital bearing on the case and were not available to the parties, despite due diligence at the time they had presented their case earlier.

4. In the instant review petition, the applicant who was respondent earlier has sought to justify the action of the respondent in operating only a part of the select-list drawn by the respondents earlier by ignoring candidates recommended at Sl.Nos. 1, 2 and 3 in the select list and supporting the appointments already made to candidates, who were at Sl.Nos.4,5 and 6 in the select list. We had found such an action of the respondent totally arbitrary.

5. We find that this review petition is without any merit. Since it has delayed the <sup>2</sup> confirmation of benefit granted to the applicant in the O.A., we direct the respondent No.3 to pay Rs.1,000/- to the applicant by way of compensation.
