2. Misc. Application No. 832/13 has been filed for restoration of O.A.

The case was dismissed on 21.09.2005 for non-prosecution. Now the

counsel for the applicant has come up with the Restoration Application. The reasoning given in the application do not appear to be satisfactory. The applicant's stand that earlier counsel did not inform him about status of the case cannot be accepted by us since it is the duty of the applicant to consult his counsel from time to time about status of the case. Further, a person who is sleeping over his right for such a long period is not entitled for relief. Our above view also finds support from the Hon'ble Apex Court's various decisions. Hence the restoration application is dismissed.
