This Review Application has been filed against the order dated 05.08.2005 with the condonation application in filing the same. On perusal of the pleadings in support of the condonation of delay we do not find any justifiable grounds to condone the delay, on the other hand on perusal of the pleadings and the

grounds in support of the review of the order dated 05.08.2005 also we do not find any error apparent on the face of the record as the scope of the review is limited, the grounds urged for review of the order does not come within the purview and scope of the review power to be exercised.

2. In view of the foregoing reasons, the application for condonation of delay is dismissed, consequently the Review Application is also dismissed.
