The applicant was again called for interview, on 26.6.1987 at Bombay, The result of the candidate called for interview for the 2nd time including the applicant was finally declared on 28/29-11-1988 but the name of the applicant **does** not figure in the result so announced, and after failing to get any relief from the department, the applicant has approached the Tribunal praying that the respondent no. 2 be directed to recommend his name for appointment to one of the posts of Category-25 advertised by the Railway Service Commission, Bombay on the basis of his performance at the written test and the viva-voce held in June, 1981 at Lalitpur (UP) and in December, 1981 at Agra Cantt, without taking into consideration the result of his interview held in June, 1987. As no reply has been filed by the respondents as such, it is presumed that the respondents have accepted the claim of the applicant.

2. Accordingly, the respondents are directed to give an appointment to the applicant in case, he is entitled to take the same notwithstanding the fact that he has failed in the Psychological test but taking into consideration his merit position as well as he has qualified in the written test as well as in the interview, and let this consideration be made within a period
