O R D E R(Oral)

JUSTICE R.R.K.TRIVEDI,V.C.

By this OA applicant has prayed <sup>for a</sup> multiple reliefs  
under para 8, but the learned counsel for the applicant  
has submitted that he presses only for relief 3 under  
which it has been claimed that he was entitled for UGC

scale i.e.Rs.1100-1600.

The facts in short, are that applicant was appointed as Senior Research Assistant in the College of Agriculture, J.N.K.V.V, Jabalpur on 16.6.1972. He worked there upto 23.9.1977. he joined as Scientist Gr.I under Respondent no.2 w.e.f. 24.9.1977 in pay scale of Rs.700-1300. It is stated that in 1986 UGC recommendations regarding Career Advancement was introduced and on account of this applicant was given benefit of his <sup>u</sup>past services vide order dated 31.10.1988 and his salary was fixed at Rs.900/-. However, subsequently by order dated 27.12.1988 the Scientist Grade I serving under respondent no.2 were granted grade of Rs.1100-1600 w.e.f. 1.7.1976. When the other Scientists were granted the aforesaid scale applicant also claimed that <sup>the same scale was filed</sup> ~~the~~ representation <sup>which</sup> has not yet been decided and it is still pending. The claim of the applicant is that he has been discriminated while other Scientists in the same institution have been given the higher scale.

Shri J.N.Tewari, learned counsel for the respondents, on the other hand submitted that applicant was appointed against a scale mentioned in the advertisement which was Rs.700-1300. After appointment applicant was assessed and he was granted two advance increments w.e.f. 1.7.1983 by order dated 22.5.1984. It is also submitted that by another order dated 20.1.1986 applicant was again granted three advance increments w.e.f. 1.7.1984 but the pay scale of the applicant remained same i.e. 700-1300. The learned counsel has submitted that now the applicant cannot claim the higher pay scale at this belated stage.

We have considered the submissions of the learned counsel for the parties. We are of the opinion that this matter requires consideration by the authorities of I.C.A.R. As the applicant had already filed a representation on 16.6.1992 it ought to have been decided by the authorities expeditiously which has not been done.

Considering the facts and circumstances of the case we dispose of this OA with the direction to the Indian Council of Agricultural Research Institute, Krishi Bhawan, new Delhi, to decide the representation of the applicant by a reasoned order within three months from the date a copy of this order is filed before him. To avoid delay it shall be open to the applicant to file a fresh copy of the representation alongwith copy of this order. It is also made clear that before passing order applicant shall be allowed to place his point of view. There will be no order as to costs.
