This review application has been moved to
re-consider the judgment which was given on 23.1.1996
It has been pleaded that the directly recruited Medical
Officers and the Medical Officers who were appointed on
ad-hoc basis but were subsequently regularised, were on
par. We had considered this fact and dealt with the same
in our judgment. Thus, we do not find any ground to
review the judgment. The review application stands
rejected.
