leave encashment could not be paid to the applicant and others because the record in this case was to be reconstructed. It is to be noted that bifurcation of Danapur Division from Mugalsarai Division took place in the year 1977 and Railway employees who had opted for Mugalsarai Division were absorbed there but, their complete service record was not sent. The respondents themselves have undertaken to reconstruct the record of leave encashment vide Annexure A-3, the undue delay in the matter has already been caused.

4. In view of these facts and circumstances of this case, the application of the applicant is disposed of at admission stage with the direction to the respondents to reconstruct the leave record of the applicant and make the payment of leave encashment within a period of three months from the date of communication of this order. The application of the applicant is accordingly disposed of at admission stage.
