ORDER

Hon'ble Mr. S. Das Gupta AM

This application has been filed by 20 Drawing Office staff in the M. E. S. under section 19 of the Administrative Tribunals Act 1985 seeking direction to the respondents to give them revised pay scale as granted to the Draftsmen of C. P. W. D. on the basis of the award dated 26.9.1980 as well as in view of certain decision given by the Delhi High court and Allahabad bench and Gwahati bench of the Tribunal. The question as to whether the benefit of higher pay scale granted to the Draftsmen of C.P.W.D. should be given to other government departments or not came under the judicial scrutiny in a number of cases. The government order which was issued accepting the award given in respect of C.P.W.D. is contained in annexure 4. In this Government order dated 27.4.84 it has been specifically stated that the benefits given to the C.P.W.D. Drawing staff should also be given to the Draftsmen of other offices of Government of India provided their recruitment qualification is similar to those prescribed in the department of C.P.W.D. and that the benefit shall be given notionally with effect from 13.5.1982 and the actual benefit be allowed with effect from 1.11.1983.

sl

2. It appears that the Guwahati bench of the Tribunal had allowed the benefit of higher pay scale to the Draftsmen of Telecom department with effect from the date these were granted to the C.P.D.W. It also appears that S.L.P. filed against this decision was later withdrawn by the department and they implemented the decision of the Tribunal.

3. The applicants before us do not belong to Telecom department, but are employees of M.E.S. which is department is under the Ministry of Defence. Same problems arose in the case of Ordnance factories, which is also ~~the~~ a department under the Ministry of Defence. In the case of one Debashish Kar and others JT 1995(J) SC 543, the Hon'ble Supreme court has upheld the government order by which benefit of higher pay scale to the departments other than C.P.W.D. were to be granted notionally with effect 13.5.1982 and actual with effect from 1.11.1983.

4. It appears that even before the O.A. was filed, the respondents had issued the order dated 16.4.1982 extending benefit of higher pay scale in line with the C.P.W.D. award to the department of M.E.S., but such benefits have been granted notionally w.e.f 13.5.82 in light with the G.O. in this regard. Prayer of the applicant ^{is} that such benefit be given w.e.f. the date on which such benefits were granted to the C.P.W.D. department.

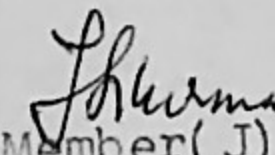

5. We are aware that such benefit was granted to telecom department as a result of certain decisions of the Tribunal. That department had chosen to implement the decision. We are, however, not convinced

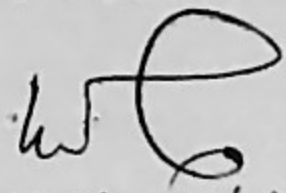

W.L.

that as a result of the decision given by the Tribunal in the Telecom department's case, similar benefit should also be granted to the department of M.E.S.

6. Infact since the Hon'ble Supreme court has upheld the government order granting benefit notionally to other departments with effect from 13.5.1982 in the case Debashish Kar, we are of the view that the staff of M.E.S. should also be granted similar benefit as ^{the staff of} ~~was~~ the Ordnance factories, ^{being} ~~which~~ ~~are~~ the sister department, under the Ministry of Defence.

7. In view of the foregoing, we find no reason to interfere in the matter and the same is dismissed, leaving the parties to bear their own costs.
