By Hon'ble Mr. Justice RRK Trivedi, A.V.

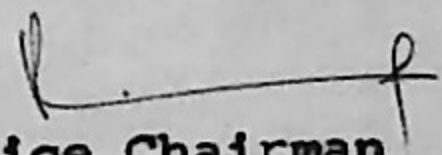

It appears that a disciplinary order of punishment of removal was passed against the applicant on 13-1-1987. An appeal against the aforesaid order preferred by the applicant on 13-2-1987 has not yet been decided. In the counter affidavit, it has been stated that due to bifurcation of the divisions, the record including the file relating to the Appeal of the applicant was sent to Bhopal. On bifurcation ~~of~~ Senior Divisional Engineer, Central Railway, Bhopal became the competent authority to decide the appeal of the applicant. On their own saying ~~that~~ the bifurcation took place in 1986, it would not have been difficult for the

R-2

respondents to intimate respondent no.3 to decide the Appeal at the earliest for which the order was passed by this Tribunal on 27-7-1989, in OA No.1099/1989. We do not find any justification on part of the respondents for not deciding the departmental Appeal for such a long time. The application is, however, disposed of with the direction to the respondent no.3 to decide the Appeal of the applicant within two months from the date of receipt of the copy of this order. It is made clear that if respondent no.3 feels and require any paper from the applicant, it shall be open to him to ask for the same.

2. There shall be no order as to costs.
