a reasoned decision on the same within a period of two months from the date of communication of this order.

2. Subsequently on the basis of application filed by the respondents the time for compliance of this order was extended till 31.05.94. Learned counsel for the applicant states that he has received a communication letter dated 01.09.94 in which it has been mentioned that his appeal was considered and rejected by the order dated 13.07.94. In view of the submission made by the learned counsel for the applicant, it is clear that the direction of the Tribunal has been complied with, there has been delay of about two months. There is nothing to <sup>show</sup> ~~say~~ that such delay was wilful and deliberate on the part of the respondents.

3. In view of the above no case has been made out for wilful and deliberate contempt of this court. Therefore, the contempt application is dismissed.
