This review application has been moved against the order which was given on 28/9/95. The grounds taken in the review petition are that the finding recorded about limitation and the applicant having not been ^{found to} indigent, are not correct and be recalled. The review application is not moved to reassess the findings already recorded. I had considered the aspects on the point of limitation and on the financial position of the applicant. There is no new matter in the review application and thus, I see no ground to interfere with the findings already recorded.

2. The review application stands rejected.
