and perused the counter-affidavit. A proper inquiry

was held in which the respondents authorities verified that the applicant made a false claim.

3. The argument of the applicant is that ~~he~~ he has been punished with 3 punishments namely his L.T.C. was refused, he was punished by reduction of one stage in his pay scale and further future L.T.C. was also denied. We are unable to agree with this contention because the L.T.C. was refused not on account of punishment but it was due to wrongful claim made by the applicant himself. The punishment of reduction by one stage is justified. He is denied his future L.T.C. which is not a punishment but a method of checking the false L.T.C. ^{in future} claims. There is no merit in the O.A., which is dismissed. However, if the applicant is entitled, after the punishment period is over, ^{for LTC for} for the block year 1997-2001, same shall be considered in accordance with rules. The applicant is directed to file a representation before the respondents, which shall be considered and decided by a speaking order within one month from the date of receipt of the same. No order as to costs.
