2. Learned counsel for the applicant contended that several OAs have already been decided by the Principal Bench as well as other Benches of the Tribunal. We have carefully seen the order dated 9.12.2009 by which the Bench concerned has clearly observed that the office is directed to put up a note whether the department who has passed the impugned order comes under the jurisdiction of this Tribunal or not.

3. We have carefully seen the note put up by the Section Officer (J) and found that as per notification available in the office Nuclear Power Corporation of India Ltd. does not come under the jurisdiction of C.A.T. and no notification under Section 14 has been issued. Accordingly, we dismiss the OA for want of territorial jurisdiction. ~~It is~~ However, liberty is granted to the applicant to approach before appropriate forum, if he so advised. No costs.
