By Hon'ble Mr. Justice RRK Trivedi, V.C.

This application has been filed challenging the order dated 22-2-1999 by which the appeal/representation of the applicant has been dismissed. We find that a very lenient view has been taken in the case of the applicant. We have perused the order dated 21-9-1998 by which the applicant was removed from service for the charges that he acted in breach of the trust

reposed in him by the administration <sup>by</sup> manipulating the order of allotment and acted <sup>in</sup> in contravention of the rules. In Appeal, however, the punishment <sup>was reduced and a</sup> of reduction in pay to Rs.3200/- for three years with cumulative effect, was imposed. In our opinion, for the misconduct which has been found proved against the applicant, the punishment is adequate and does not call for any interference by this Tribunal. The application is rejected with no order as to costs.
