By Hon'ble Mr. Justice Khem Karan, V.C. :

The applicant is claiming that the respondents be directed to re-engage and regularize them in Group 'D'. They say that their names find place in the Casual Labour Live Register.

2. The respondents do not dispute that the names of the applicant find place in the said Register and their cases are to be considered for re-engagement/regularization according to the seniority and on the availability of vacancies in direct quota. Learned counsel for the applicant says that vacancies are there in Allahabad Division of the N.C. Railway and have also been notified on

17.1.2005. He says that the names of the applicant may be considered against those vacancies.

3. The Tribunal is a view that when it is admitted that the name of the applicants is find place in relevant Casual Labour Live Register and according to the orders/rules, they are to be considered for re-engagement/regularization on the availability of vacancy in Group 'D', the OA can be disposed of with suitable direction to the respondents.

4. So this OA is finally disposed of with a direction to respondent No.3 to consider the re-engagement/regularization of the applicants in Group 'D' in accordance with the seniority/rules/order on the subject on the availability of vacancies in direct quota in Group 'D'.
