2. The learned counsel for the applicant in both these cases has chosen to ~~sent~~ illness on 16-8-2002, 16-9-2002 and today. Thus the application is not deemed perused because of the inherent illness in the case.

3. The applicant in O.A 100/02 was informed by the respondents by letter dated 16-10-2001 that a post of E.D was vacant while the name of the applicant had been approved for compassionate appointment in Postal Assistant. No vacancies in the cadre of Postal Assistant within the ceiling of 5% are available. It ~~is~~ also mentioned that chance of ~~the~~ ^{approved} absorption of the candidates kept in waiting against vacancies available within 5% ceiling of Direct Recruitment quota in the department further stated that or elsewhere very remote. It is ~~is~~ ^{is} a willingness of the applicant for the appointment on the E.D post was sought by another letter dated 10-1-2002. The applicant was again requested to submit an unconditional willingness for ED/GDS post which were lying vacant in Banda Division, Fatehpur division and Kanpur division(M). It ~~his~~ claimed that the Chief Post Master, Kanpur by letter dated 12-6-2001 has ascertain the willingness for absorption for the job in other Ministry/Department. The applicant had given his consent for U.P. Circle. ^{he} The applicant claims that yet/sent a representation against order dated 16-12-2001 with a request to review of order dated 16-10-2001. It is claimed that the applicant has been forced to submit his willingness to be posted as ED agent resulting in reversion and loss of pay allowances and also his seniority in the cadre of Postal Assistant. He claims that he is entitled to an opportunity before he is reverted.

N

4. We find from the counter reply that the applicant has not been appointed as Postal Assistant. We find there was no case of reversion as the applicant has not been appointed. The respondents have also denied that any persons junior to the applicant was given appointment. The applicant is free to accept or reject the offer of the respondents for appointment on ED/GDS posts. Under the circumstances we do not find any merit in this application. However, since the representation of the applicant dated 3-12-2001 stated to be pending, the respondents are directed to decide the same within 3 months from the date of receipts of the copy of this order alongwith copy of the said representation.

5. As regards O.A 523/02 the applicant had applied for compassionate appointment on the ground that his father had suffered from heart ailment and had become undable to perform his duties in the department. The applicant had sought compassionate appointment which was rejected by the respondents vide order dated 4-9-97. The mother of the applicant had represented against the rejection of the application for compassionate appointment. The applicant was thereafter informed by letter dated 14-12-99/^{of}the PMG, Kanpur that his name was entered in the waiting list at Sl. No. 3 in relaxation quota for P.A cadre. The applicant has thereafter received letter dated 16-10-2001 ^{informed} informing him that likelihood of absorption of two candidates against 5% ceiling of the recruitment quota in P.A cadre was extremely remote then sought his willingness for being posted as ED/GDS. ^{This} reminder was sent on 10-1-2002 for appointment to a GDS post lying vacant in Banda Division, Fatehpur Division/Kanpur (M) Division, thereafter the applicant was again reminded by letter dated 11-4-2002 regarding submission of willingness for appointment to a GDS post. The applicant has not

H

submitted his willingness and has chosen to file the O.A.

6. The applicant has claimed that he is being compelled to give his willingness to join the post of Gramin Dak Sevak. We find no such pressurisation, the respondents have only sought to ascertain the applicants willingness which he is free to give or not to give. Under the circumstances this O.A has no merit and the same is dismissed.

No order as to costs.
