O R D E R

I have read the Review Application filed by the applicant and find that applicant has tried to show the Judgment given by this Tribunal as wrong, unjust and arbitrary, meaning thereby he is trying to find fault with the Judgment. Scope of review is very limited, neither it can be filed to re-argue a case nor can <sup>we</sup> sit in appeal over our own orders. If applicant feels, the Judgment given by this Tribunal is wrong, then the remedy open to him is to challenge the same in Hon'ble High Court.

2. I have already expressed my views and have dealt with all the points raised by the applicant. Therefore, according to ~~him~~ <sup>me</sup> B this R.A. is not maintainable and the same is accordingly dismissed with no order as to costs.
