This Review Application is filed against the
order dated 01.02.2006. By the said order the OA was
dismissed. The learned counsel for the applicant
pleaded and taken grounds to review the order by
stating that certain facts and the documents on record
have been inadvertently omitted while considering the
case which could have made difference in the

observation and the result, and conclusions, and as such sought for reviewing the order.

2. On perusal of the pleadings and materials on record, we do not find any error apparent on the face of record, and further the grounds urged in the Review Application are the grounds to be urged in the nature of appeal, and, therefore, there is no scope for review, as the grounds urged are not coming within the scope and purview of the review, and accordingly this Review Application is dismissed.
