ORDER

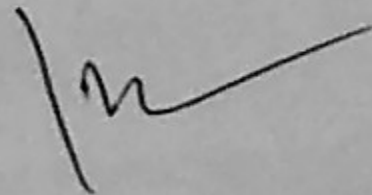

Heard Shri G. P. Singh, counsel for the applicant
and Shri R.C. Shukla holding brief of Shri S. Singh,
counsel for the respondents on admission of this OA.

2. Applicant has prayed for quashing rejection dated
07.11.2007 and for commanding the respondent to give
him compassionate appointment under dying in harness
rules. On death of his father on 15.11.2000 while
still in service, applicant moved for his compassionate
appointment under dying in harness rules. As the

respondents were not taking any decision on his request so he filed one OA no.206/07 which this Tribunal disposed of vide order dated 08.03.2007 directing the respondents to take an early decision on the request of the applicant for compassionate appointment. Now the respondents have rejected his claim for compassionate appointment mainly on the ground that carpet scheme, where applicant's father was serving, has been closed and so the question of compassionate appointment does not arise. Learned counsel for the applicant has submitted that the impugned order dated 07.11.2007 is non speaking and so deserves to be quashed on this ground alone. He has also tried to say that it is not true that the rest of the carpet units have been closed and the applicant could be considered for accommodating him in any other units. Learned counsel for the respondents says that all the carpet units through out the country have been closed and the staff engaged is being ~~faced~~^{phased} out and so the claim for compassionate appointment cannot be accepted and has rightly been rejected.

3. After hearing the parties counsel and perusing the averments made in the OA and also after going through the impugned rejection dated 07.11.2007, I am of the view that the matter is not worth admission and the OA deserves to be dismissed at admission stage. The claim for compassionate appointment cannot be accepted if the units have already been closed or carpet scheme has been abandoned or closed. Moreover

applicant's father died long back in November 2000.
The rejection order cannot be said to be cryptic as it
gives reasons for dismissing the same. So the OA
deserves to be not admitted and the same is
accordingly dismissed. No Costs.
