ORDER (By circulation)

By Mr. M.Jayaraman, Member (A)

The Review Application herein has been filed wherein the main ground taken by the applicant here is that Paras 1309, 1310 of Indian Railway Establishment Manual, Volume I (Revised Edition 1989) have been relied on by the Bench whereas para 1312 alone is applicable. It is also stated that due to clerical error, this was not pleaded at the time of hearing of the case.

2. We have duly considered the above contentions and in our view, all the issues raised by rival sides, have been taken into consideration before coming to a conclusion to dismiss the OA. We are of the view that there is no error apparent on record calling for review of the order passed. The Review Application deserves to be dismissed. If the applicants are aggrieved by the order, they are free to pursue the appellate remedies available under the Act before the competent court.

3. The Review Application is accordingly dismissed. There shall be no order as to costs.
