**O R D E R**

The applicant has approached this Tribunal for the second time being aggrieved by the order of respondents dated 21.3.2007 passed in pursuance of the directions of the Tribunal in O.A. no. 58 of 2007 dated 22.1.2007. It appears that there are two rival claims by two sons of the deceased employee for a job on compassionate grounds. After hearing the counsel for the applicant at the first instance,

the Tribunal had decided the claim of the applicant with a direction to the respondents to look into the matter regarding the dispute and take appropriate decision. Accordingly, the respondents reviewed the matter and it appears from the order dated 21.3.2007 (impugned order) that the respondents applied their mind to the same and decided that they would process the case for compassionate appointment in favour of elder brother of the present applicant. In my opinion, after this decision taken by the respondents passed in pursuance of the categorical and specific order of the Tribunal in the same matter, there is not much <sup>that</sup> ~~with~~ the Tribunal can and should do at this stage. Therefore, this O.A. is dismissed at admission stage itself. No costs.
