that the representation is still not decided by the authority. The respondents are directed to take a decision on the representation of the applicant within a period of six weeks from the date of the receipt of a copy of this order bearing in mind the fact that the interim relief made by the Tribunal was that the applicant should not be reverted till the regularly selected person was available for being posted as Director and it is stated that such regularly selected person was not available till the date of superannuation of the applicant. It is also a fact that the applicant has actually worked on the post of Director and he was also getting salary of the post of Director till the date of his superannuation. The respondents are directed to bear these factors in mind while taking decision on the representation of the applicant and if they decide not to revise the pension of the applicant on the basis of the last pay actually drawn by him as Director, they are required to pass speaking order and to communicate the same to the applicant within 10 days of taking the decision. If the applicant feels aggrieved by the decision that may be taken on his representation, it is open to him to challenge the said decision. In view of these directions, the applicant seeks permission to withdraw the present O.A. Permission granted. O.A. stands disposed of as withdrawn. No order as to costs.
