A very short point is involved in the present application filed by the petitioners (16 in all). Their claim is limited to the wages for 44 days for which they are not paid by the respondents.

2. When the matter came up for admission, we have heard Mr.R.K.Mishra and Mr.N.S.Shevde, the learned counsel for the petitioners and the respondents respectively. At the outset, it is noted that this matter ought not to have ^{be determined -} ~~been denied~~ us, as it is found that the petitioners have referred their ^{representations} for redressal before the Chief Permanent Way Inspector vide their representations dated 26.10.87, which has been followed by subsequent two reminders dated 16.3.1988 and 25.8.1988. It is rather unfortunate that even after the passage of nearly two years, the representations of the petitioners are not finally decided by the competent authority. Since the matter involves the examinations of the service record and other materials for deciding their claim we ^{the same} ~~admitted~~ this application and disposed ^{of} by the following order:

It is directed that the Senior Divisional Engineer (I), Baroda of the Respondents - Railway Administration, should treat the present application as additional representations in respect of the claim of the petitioners in addition to the earlier representations made ^{by them} and examine the same and decide the claim of the petitioners for wages as prayed for within a period of one month from the receipt of this order by a speaking order. In case, the petitioners ^{are} ~~have~~ left with any grievance after the said speaking order is passed, they (petitioners) are at liberty to move this Tribunal for redressal by filing a separate application. With the aforesaid directions, the application stands disposed of. One set of the copy of the application with enclosures be sent to the Respondent No.2 (Senior Divisional Engineer (I), Western Railway, Baroda) ^{along with a copy of this order.} The registry is instructed to retain the acknowledgment on record.
