O.A.No. 494 OF 1989

Date: 28-4-1992.

Per: Hon'ble Mr. R.C.Bhatt, Judicial Member.

Heard Mr. V.S. Mehta, learned advocate for  
the applicant and Mr. B.R. Kyada, learned advocate  
for the respondents.

2. The applicant has filed this application  
under section 19 of the Administrative Tribunals  
Act, 1985, seeking the relief that the order passed  
by C.P.O., Western Railway, Bombay on 11th October,  
1988 communicated to him under covering letter  
dated 18th October, 1988 vide Annexure A, rejecting

his prayer for alteration of the date of his birth be quashed and set aside and that the applicant be not retired from service before 30th September, 1993.

3. The applicant joined service of the Western Railway in its Bhavnagar Division in 1956 as Commercial Clerk and was posted as Assistant Goods Clerk at Bhavnagar. It is alleged by him that he has put his correct date of birth ~~4th~~ September, 1935 in his application form of Railway Service Commission, Bombay in 1956. It is a case of the applicant that his uncle, in order to get the applicant admitted in the primary school, got his birth date recorded as 4th September, 1932 for the reason that the School did not admit any child of age below seven years and therefore, this date of 4th September, 1932 was given but the correct date according to him is 4th September, 1935. He has alleged in the application that he has several brothers and sisters, that the school certificate of his sister vide Annexure A-2 shows that she was born on 21st June, 1931. He has produced the copy of the affidavit of his mother, Annexure A-1 dated 7th August, 1988 stating therein that applicant Gajanan was born at Rajkot on 4th September, 1935 but at that time there was no law existing in Rajkot that the birth of a child should be registered with

local authorities. The applicant by his representation vide Annexure A-3 dated 10th March, 1986 to the CPO, Western Railway stated that his uncle managed to admit him in the School at the age of four by mentioning wrong date as 4th September, 1932 though his correct date of birth was 4th September, 1935 and hence the date be corrected accordingly in the service record which was followed by another application vide Annexure A-4 which is undated.

4. The CPO has considered the representation of the applicant and has rejected the same which is being challenged in this application. The applicant, in support of his representation, has produced the affidavit of his mother before CPO which is Annexure A-1 in which she has only mentioned that the applicant was born at Rajkot on 4th September, 1935 and that her brother-in-law Marayanrao got the birth date of applicant Gajanan as 4th September, 1932 while getting him admitted in the School though the correct date was 4th September, 1935. The CPO has examined the service record. He has mentioned in his order that the service sheet of applicant showed that he was appointed on 26th September, 1956, as AGC on this Railway and his date of birth was recorded as 4th September, 1932 in words as well as in figures under his own signature on the basis of

the School Certificate SSC Board Poona, though this school certificate was not available in this service sheet but the entry of date of birth in the RSC form had been tickmarked which means that it was verified. The learned advocate for the applicant submitted that mere tickmark would not amount to the verification of the birth date in the service sheet by applicant. He submitted that it ought to have been countersigned by the Railway officer. However, the fact remains that the applicant has signed the service sheet, more over the applicant is a literate man, at the time of his initial appointment. He was taken as Commercial Clerk and he had passed SSC examination. The learned advocate for the applicant submitted that the date mentioned in that certificate crept in because of the mistake committed by the applicant's uncle who at the time of getting the applicant admitted gave the birth date as 4th September, 1932 and therefore, it should not be considered as a correct date.

5. The learned advocate for the applicant also submitted that the CPO rejected the representation of the applicant on the ground that he had not made such representation upto 31st July, 1973 and therefore, he was not entitled to make such application thereafter. No doubt, this part of the

reasoning of the CPO is not correct in view of the Full Bench decision of the CAT in case of Mallela Sreerama Murthy & Anr. V/s. Union of India & Ors., reported in Vol.II of Full Bench Judgments of CAT (1989-1991) page 152 in which it is mentioned that the Railway Board's circular dated 4th August, 1972 which is an executive order conflicts with the main sub-rule (3) of Rule 145 of the Code promulgated under Article 309 of the Constitution and as such cannot have the force of law and therefore the time limit put in that letter within the period which the employee of the railway make alteration of the date of birth entered in their service record as in force of law, the applicant was already in service before 1973 and therefore the above circular also would not apply him. The applicant, therefore, was not prevented from making such representation for alteration of his date of birth in his service record before his retirement.

6. However, the decision of the CPO cannot <sup>be</sup> held illegal because the applicant has not produced any conclusive evidence to show the date of his birth. The affidavit of his mother or his affidavit cannot be held to be such an evidence to come to the conclusion that his date of birth recorded as 4th September, 1932 in the service sheet on the

res

basis of SSC board certificate was not correct. The SSC board certificate is an authentic document and unless any other conclusive evidence is produced which can destroy the entry made in that SSC board certificate, the same cannot be held as not correct. The learned advocate for the respondents Mr. Kyada submitted that the applicant himself had mentioned his date of birth as 4th August 1932 in his application made to the Railway Service Commission, the copy of which is produced at Ann.R-1 and the School Leaving Certificate produced by the applicant shows the date of his birth as 4th September 1932 and there is no reason not to rely on this certificate. The respondents have produced a copy of the service sheet of the applicant which shows in it the date of birth of the applicant as 4th September, 1932 on the basis of SSC board certificate. He submitted that now the allegation of the applicant that the same date was erroneously mentioned because of the error committed by his uncle in giving that date while getting him admitted in the primary school is only <sup>an</sup> after thought. He rightly submitted that merely on the affidavit of the mother of the applicant, it cannot be held that the date of birth mentioned in the SSC board certificate was wrong.

ms

7. Having heard the learned advocate for the applicant and on perusal, no case <sup>is</sup> made out by the applicant to come to the conclusion that his date of birth as 4th September, 1932 entered in the service record was erroneous. He has failed to establish that the CPO has committed an error in rejecting his representation. There is no legal error committed by CPO in coming to the conclusion that the applicant has failed to establish that his date of birth entered in the service sheet as 4th September, 1932 was wrong. The applicant has failed to establish that his correct date of birth was 4th September, 1935. Hence the following order :

The applicant's uncle Narharirao, in order to get the applicant admitted in the Primary School, got his birth date recorded as 4-9-1932 for the reason that the school would not admit the child of age below seven years. If the correct date, 4-9-1935 was given, the School authorities would not admit him. This recorded date, 4-9-1932 continued in the School Leaving Certificate.

(k) That the applicant applied to the competent authority the Chief Personnel Officer (C.P.O.), Western Railway on 10-3-1986 to change his birth date from 4-9-1932 to 4-9-1935 stating reason of error, therein. Copy of this application is annexed herewith and is marked as Annexure A<sub>3</sub> to this application.

'Ann.A3'

(l) That the aforesaid affidavit of the applicant's mother was submitted on 22-8-1988 alongwith covering letter dated 22-8-88. Copy of this covering letter is ~~an~~ annexed herewith and is marked as 'Annexure A<sub>4</sub>' to this application.

(n) Being aggrieved by the order of the Chief Personnel Officer, Western Railway dated 11-10-1988 rejecting his application for alteration of his date of birth, the applicant approaches this Honourable Tribunal for redressal of his grievance.

7. Reliefs Sought :

In view of the facts mentioned in para 6 above, the applicant prays for the following reliefs :-

(a) That the order passed by C.P.O. i.e. Chief Personnel Officer, Western Railway, Bombay on 11-10-1988, communicated to the applicant under the covering letter dated 18-10-1988 bearing No. EC 283/14/7(4) (G.N.Chitre) (annexture A to this application), rejecting prayer for alteration of the date of birth, be set aside and/or quashed; and consequently

(b) The applicant be not retired from service on attainment of age of 58 years on superannuation, before 30th September, 1993 (Nineteen Ninety three).

Any other relief which may be deemed fit in the circumstances of the case be granted.

: Grounds for reliefs :

(A) The applicant submits that last sentence of para 2 of the order of the C.P.O. - "The attestation from of RSC filled up by the employee flagged 'C' also indicated his date of birth as 4-9-1932" is factually not correct. The applicant has given his date of birth in the Railway Service Commission Form-Application as 4-9-1935. This form is in personal file of the applicant.

(B) The applicant submits that he has not taken any advantage in this case. The applicant joined service in 1956. On basis of the date of birth 4-9-1932, he would be 24 years old in 1956. On basis of the date of birth 4-9-1935 he would be 21 years of age. He would be eligible for recruitment on either basis. Hence the C.P.O. can alter date of birth of the applicant as it would not be detrimental to anyone.

(C) The applicant submits that due to weight ought to have been given by the C.P.O. to the averments in Affidavit of 80 years old mother of the applicant.

(D) The applicant submits that order of the C.P.O. is arbitrary and a offensive of the Article 14 of the Constitution of India.

(E) The applicant submits that the order of the C.P.O. is contrary to law and equity.

Legal provisions relied upon :-

- (1) Article 14 of the Constitution of India.
- (2) Rule 145 of the Indian Railway Establishment Code.
- (3) Article 300-A of the Constitution of India.

Copy of the Rule 145 of the Indian Railway Establishment Code is annexed herewith and is marked as Annexure A5 .

Ann. 'A5'

8. Interim Order Prayed for :

Pending final decision on the application, the applicant seeks issue of the following interim order :-

During pendency and till final disposal of this application, or till the 30th September, 1993 (Nineteen Ninty three) whichever be earlier, the respondents be restrained from retiring the applicant from service on attainment of age 58 years, on superannuation.

Reasons :

If the interim relief prayed for is not granted the applicant will be unemployed at the age of 55 years and he will have to remain unemployed in these days of rocket rise of price of commodities and economic depression resulting in unemployment in private sector. The applicant has heavy social responsibilities; moreover in case the application is finally allowed the Railway Administration will have to pay back wages to the applicant even if he might not have worked and thus hard earned money of tax payers will be misused.

On the other hand if relief is granted no one will suffer; the Railway Administration will take the work and pay to the applicant and it will get benefit of 33 years experience of the applicant. Hence this is fit case for granting interim relief.

9. Details of the remedies exhausted :

The applicant declares that he has availed of all the remedies available to him under the relevant service rules etc.

In fact no appeal or revision lies against the impugned order.

10. Matter not pending with any other Court Etc.

The applicant further declares that the matter regarding which this application has been made is not pending before any court of law or any other authority or any other Bench of the Tribunal.

11. Particulars of Postal Order in respect of the Application Fee :

1. Number of Indian Postal order DD 6 413995
2. Name of the issuing Post Office High Court P.O. Narsinghpur Bhopal
3. Date of issue of postal Order 28-9-89
4. Post Office at which payable.

12. Details of Index :

An index in duplicate containing the details of the documents to be relied upon is enclosed.

13. List of enclosures :

1. I have gone through the request of Shri G.N.Chitre, Sr. CMI working under DRM(E) Rajkot for alteration in recorded date of birth from 4-9-32 to 4-9-35 on the basis of affidavit made by his mother dated 7-8-1988, (p.sc)

2. It is seen from the S/sheet of Shri G.N.Chitre that he was appointed on 26-12-1956 as A AGC on this Railway. His date of birth is recorded as 4-9-32 in words as well as in figures under his own signature, authority for which is quoted as school Certificate, S ~~CE~~ Board Poona. This School certificate~~4~~ is not available in the S/sheet, but the entry of date of birth in the RSC form flagged 'B' has been tickmarked which means it is verified. He has signed the S/sheet in token of having accepted the recorded date of birth. The date of birth so recorded is binding on the employee. There is no clerical error, erasure or overwriting in recorded date of birth. The attestation from ~~t~~ of RSC filled up by the employee flagged 'C' ~~1~~ also indicated his date of birth as 4-9-1932.

3. The employee is literate and for literate employees an opportunity was given by the Administration to submit their representations against recorded date~~s~~ of birth latest upto 31-7-1973. It is not understood being literate why he did not avail the opportunity and represent-  
-ed for the first time only on 22-8-1988. The affidavit of his mother dated 7-8-1988 cannot be accepted, as the date of birth is recorded on the

basis of SSCE Board certificate of 1-7-1952 which is an authentic document. The employee never made any attempt to alter his recorded date of birth within a reasonable time from the date of his appointment on Railway. He has also not made any effort to change his date of birth recorded in his SSCE Board certificate through educational authorities well in time by availing the opportunity given upto 31-7-1973.

4. In terms of Rule 225(4) of RI (1985 edition) the date of birth as recorded in accordance with extant rules shall be held to be binding and no alteration of such date shall ordinarily be permitted subsequently. It shall, however, be open to the General Manager Chief Personnel Officer in the case of Group C and 'D' Railway Servants to cause the date of birth to be altered only in the following cases :-

- (i) Where in his opinion it had been falsely stated by the Railway servant to obtain an advantage otherwise inadmissible, provided that such alteration shall not result in the Railway servant being retained in service longer than if the alteration had not been made, or
- (ii) Where in the case of illiterate staff, the General Manager is satisfied that a Clerical error has occurred, or
- (iii) Where a satisfactory explanation (which should not be entertained after completion

of the probation period or three years service whichever is earlier) of the circumstances in which the wrong date came to be entered is furnished by the Railway servant concerned, together with the statement of any private previous attempts made to have the record amended.

5. None of the above conditions is satisfied in this case.

(6. In the circumstances quoted above, I do not find any ground to accede to the request of Shri G.N.Chitre for alteration in his recorded date of birth from 4-9-1932 to 4-9-1935.

Indirabae Narayanrao Chitre aged about 80 years residing at Rajkot.

2. Gajanan Narayanrao Chitre is my Son. He was born at Rajkot on 4/9/1935. At that time, there was no law existing in Rajkot that the birth of a child should be registered with local Authorities. I have seven sons and three daughters and all are alive at present also Gajanan is my eighth Children.

3. In the year 1937-38 my said son Gajanan was sent to live with my sister-in-law who was staying with my brother-in-law, Naraharirao Chitre at Chhota-udaipur which was a nature state in Gujarat and there he was serving as a Treasury Officer.

But the correct birth date of my Son Gajanan is 4/9/1935 and not 4/9/1932.

Sub: The Change in Birth date in Rly. Record as  
as 4-9-1935.

Respected Sir,

In regard to the subject cited above,  
I the undersigned request to consider my case for the  
change in birth-date in Rly. Record on the following  
grounds :-

(1) My father had 8 sons and four daughters and  
I am the seventh son of my father.

(2) I was brought up of Chhota Udaipuer with  
my uncle who was Jresury Officer in Gjj Chhota  
Udaipuer State whi when I was only ~~2~~ 2½ years old.

(3) In those days there was a rule in Chhota  
Udaipuer State that a boy can be admitted to a  
school at the age of seven only.

✓ (4) My uncle manage) to admit me in the school  
at the age of four by mentaining wrong date as  
4-9-1932.

(5) My father had not maintained any kind of  
record to prove my birth date as 4-9-1935 but from  
the very begining, I always mentioned as 4-9-35.

(6) But due to my bad luck my birth date is also not recorded in the Municipality office, Rajkot as in those days nobody was so much particular about birth date as we are today for our children.

(7) If my birth date is treated as 4-9-1935 then my elder brother will remain in service which will be in form to laugh at under the circumstances, kindly do needful in the matter and oblige.

Thanking youf goodself in anticipation.

Yours faithfully,

BEFORE THE CENTRAL ADMINISTRATIVE TRIBUNAL AT AHMEDABAD

O.A. No. 494 of 1989.

Shri Gajanan N. Chitre, ..... Applicants

Vrs

Union of India & Others ..... Respondents.

Reply by the Respondents.

At the outset the Respondents states and submits that the application of the Applicant is time-barred and deserves to be dismissed limne as the Order passed by the Chief Personnel Officer is dated 18-10-1988 which was conveyed to the Petitioner, but the original Order which was passed by the CPO, Western Railway, Bombay, is dt. 11-10-1988 and the accounting date i.e. the date on which the applicant is informed - 18-10-1988 and thus the present application is clearly time barred as the same has been filed after one year.

2. With reference to para 6(a), the averments made by the Petitioner regarding details of the post held by the Petitioner is not disputed because it is not a question to be decided by this Hon'ble Tribunal. The real question before this Court is the challenging of date of birth and therefore the same does not require further comments.

3. With reference to para 6(b) the averments made therein are not correct and is denied hereby. The statement made by the Applicant that he has put in the correct date of birth in his application form of Railway Service Commission Bombay, in 1956 is shown as 4-9-1935 is not correct. On the contrary, the application which was filed and submitted by the Applicant to the Railway Service Commission, Bombay wherein the applicant himself has shown that his date of birth is 4-8-1932. A copy of the application in the handwriting of the applicant himself is enclosed herewith showing his date of birth as 4-8-1932 is marked annexure R-1. Not only this, a copy of the school leaving certificate produced by the applicant also shows his date of birth is 4-9-1932.

BAK

22/3/90

Copy served to  
M.V.S. Manoj  
on 26-2-90  
close to Mr. BAK

In his Service Sheet prepared at the time of his appointment, the applicant himself has entered his date of birth as 4-9-32 and he has put his signature. A copy of this Service Sheet is enclosed marked as annexure R-2. Thus, it can be seen that the allegation made by the Applicant is afterthought, without any evidentiary support and baseless.

4. With reference to para 6(c), the averments made therein are not correct and is denied hereby. The story narrated by him of a period 30 years back shows that even at the time of his admission to School, the applicant had resorted to falsehood and the same has continued till his superannuation. The Respondents therefore has nothing to say further when the applicant himself has admitted his own falsehood.

5. With reference to para 6(d) the averments made therein are not correct and is denied. The Respondents have made it clear in para 6(b) above and therefore the same does not require further repetition.

6. With reference to para 6(e), the averments made are not correct and is denied hereby. This is the second instance of the Petitioner's falsehood. He states that in 1970 one Welfare Inspector of Western Railway came to him while he was on duty and he had showed him his Service Sheet and asked the Applicant to give proof that his date of birth is ~~xxx1935~~ 4-9-1935. And as there was no proof the Applicant has put his signature and showed his date of birth as 4-9-32. The Respondents states and submits that right from the initial stages i.e. from the time of applying for the job the applicant had given his date of birth as 1932. Only he had made changes in the month i.e. from August to September. i.e. the figure '4' and the year 1932 was common. And therefore it does not lie in the mouth of the Applicant to say that as

there was no proof, the date of birth was shown as 4-9-35. Not only this, he himself has marked in his own handwriting that the date of his birth is 4-9-1932, at the initial stages. and therefore the question of obtaining signature or proving his date of birth in the year 1970 does not arise. It seems that the Petitioner has the habit of blaming others for his wrongdoings and now he is desperately trying to get out of his own admission that he was born on 4-9-1932 so that he may continue in service for three more years with the railways.

7. With reference to para 6(f), the averments made in the said para <sup>are</sup> ~~not~~ correct and is denied hereby. Here the petitioner has again tried to take shelter of falsehood saying that in the year 1972-73 a circular was issued by the department for correction of date of birth, but somehow he had not applied because the circular was not shown to him nor was his attention drawn to it. Here the Petitioner has shown a perfect example of his own carelessness and now wants equity and justice forgetting the maxim that a person who wants equity must come with clean hands. Here it can be seen that the Petitioner has throughout tried to shift the burden to the railway administration and therefore the allegation made by the applicant are concocted, after thought and is baseless.

8. With reference to para 6(g) the averments made in the said para quoting the last sentence of para 2 passed by the CPO is based on record and therefore it cannot be said that it is without application of mind. On the contrary the C.P.O. has referred to the attestation on the application of the employee filed by him on 9-1-1956 and the 1st page of the said form shows his age to be as 23 years. This again proves that his date of

birth is 4-9-1932 only. A xerox copy of the same is enclosed marked as annexure R-3 for the perusal of the Hon'ble court and decide the real dispute.

9. With reference to paras 6(h) and (i) the averments made therein are not correct and is denied hereby. So far as the affidavit filed by the mother of the Applicant is concerned, it is irrelevant. Similarly, the age of the sister of the applicant is also not relevant. The age of the sister is shown as 21-6-1931 whereas the age of the Applicant is shown as 4-9-1932 and between the two there is a gap of 15 months. Hence this fact is also immaterial. Even otherwise the same cannot be considered because there is proof in the School leaving certificate where his age is shown as 23 years in 1956 and he in his own handwriting as marked 1932. Till now he has not made any attempt to correct or change his date of birth though a chance was given in 1973. The petitioner is trying to get 3 more years of service at the fag end of his service and the same cannot be given at the cost of the others who are more capable and qualified and who are waiting in queue.

10. With reference to paras 6(j) to (n) the averments made therein are not correct and is denied hereby. His date of birth is rightly and correctly recorded in the Service sheet on the basis of the information furnished by the Applicant himself. Even otherwise, the documents produced, marked Annexure I to 3 clearly shows that the year of his birth is 1932 and not 1935. Hence there is no error in the speaking order passed by the CPO. This court cannot entertain this type of application which is a futile exercise because the court can only decide if there is an error of law or error of jurisdiction. On

the contrary the speaking order passed by the CPO is founded on the evidence produced and therefore the same cannot be read and recorded by the court at this stage.

11. The Respondents further state and submits that the Applicant had made representation regarding change of date of birth in 1936 for the first time, i.e. after putting in 30 years of service and when he is on the verge of retirement. And the above is made without any evidence, and therefore it is purely an afterthought and deserves to be rejected.

12. The Respondents further states and submits that at the time of deciding this application, the Hon'ble tribunal may be pleased to take into consideration the Primary Bench judgement, New Delhi, reported in ATR on page 509, ATR Allahabad page No. 299, and ATR Hyderabad on page No. 60 and other judgements on the same lines.

13. For the above reasons and reasons which may be urged at the time of hearing of this application, this application of the Applicant deserves to be dismissed with special costs to the Respondents.
