O.A. .495/89

J U D G M E N T

Date: 4.7.1991

Per : Hon'ble Mr. P.H.Trivedi, Vice Chairman

In O.A.No.495 of 1989, the petitioner under Section 19 of the Administrative Tribunals Act has challenged the order dated 4/7-11-89 passed by the Executive Engineer transferring him from Ratanpur to Kadana. His grounds are that according to the policy of the respondent department, Class-IV employees are not transferred outside their native districts and there is complete disregard of the principle that those who have served for the longest period should be transferred before others for which the petitioner has given certain names of those who have been retained longer than him. He also states that at Galiana Sabarmati Sub Division, Ahmedabad from which Vankar has been transferred to Ratanpur nobody has been posted.

: 2 :

This shows the malafide of the respondents. In this case respondent No.2 have argued the case in person and there has been no representative of the Respondent No.1 or Respondent No.3. The impugned order has been passed by respondent No.2 who has appeared in person to argue his case. His counter is that the petitioner had earlier asked for a transfer from Ratanpur and his request was forwarded by Asstt. Engineer in support of which he has annexed the copy of the letter dated 6-8-88 enclosing a letter from petitioner dated 23-7-88. The petitioner has clearly asked for an urgent transfer from Ratanpur and at his own cost to any site. The impugned orders state that the transfers are to be "with immediate effect on their own cost." The petitioner's contention is that if his transfer is to be treated as at his own request, it is to be noted that it is brought about more than one year after the request was made. The apprehension expressed in his letter was in respect of threat to his life and if he lived with this apprehension for a whole year his transfer thereafter does not give him any relief in that regard. The respondent has also taken the plea that the petitioner is having an affair with a married lady and the villagers are highly agitated about it. Further in transfers period of stay at any station is not required to be taken into account nor is there any immunity against transfer in the case of Class IV persons. The transfer is actually in the same division. The petitioner has not conducted himself in a manner befitting a Govt. servant. He has been absent from duty in support of which contention several memoranda issued to him have been annexed. The petitioner has made another

: 3 :

request for transfer on 18-10-88 in which he asked for transfer from Ratanpur to Raska or Kheda or Ahmedabad at his own cost giving reasons. This also has been forwarded by the Asstt. Engineer with the remarks that the petitioner is not a responsible person for being given work and he is creating problems for other staff in the smooth running of the work. The respondent has challenged the nature of the request transfer and stated that in the case of Shri Vankar he has been retained at Galiana as he has never made request for Ratanpur the order of transfer was cancelled.

2. After perusing the pleadings and hearing the learned advocate for the petitioner and the respondent No.2 it appears that the transfer of the petitioner is for administrative reasons for which there is some basis but Respondent No.2 has utilised the request of the petitioner for causing it to be a request transfer at his own cost. Neither side has developed its respective case on the ground of the discretion available to the respondent on request transfers. The transfer orders in terms state that the transferred officials are to move at their own cost. The sole issue for the purpose of this case is whether the impugned orders can be regarded as a legitimate transfer on request. For this purpose it is necessary to consider the impugned order in the light of the petition by which request for the transfer has been made. Obviously, in the petition dated 23-7-88 after a detailed description how the petitioner was threatened by armed men, he has requested for the transfer to any site at his own cost. This has been followed by another petition dated 18-10-88 in which the petitioner has related the circumstances of the quarrel viz. the local villagers, sickness of his wife,

Du

: 4 :

education of his minor children and asked for a request transfer at Ahmedabad or Raskar or Kheda at his own cost. This petition has also been forwarded by the Assistant Engineer by his memo dated 29-9-89. It is therefore proper to consider that the impugned transfer orders have not dealt with very old or obsolete requests but requests made prior to the date when the orders have been passed. There is substance in the petitioner's plea that he had made no request for being transferred from Ratanpur to Kadana and therefore the impugned transfer orders cannot be justified on the basis of his request.

3. I would have been very reluctant to interfere with the transfer orders of the petitioner about which the Asstt. Engineer and Respondent No.2 appear to have some basis on administrative grounds to pull the petitioner out from Ratanpur but it is difficult to sustain the impugned transfer order on the ground of its being based upon the petitioner's request and requiring the petitioner to move from Ratanpur at his own cost. When petition for such a request does not state that the petitioner was ready to go to Kadana and when on the grounds on which the petitioner had requested the transfer are by and large not met in terms of the convenience of the petitioner by the said transfer. It could have been possible for the respondents to justify the transfer on administrative grounds but it is not possible to sustain the impugned orders of transfer in terms as a request transfer at the petitioner's cost.

4. For the above reasons, the petition has merit to the extent stated. The impugned orders are quashed

and set aside. Rule made absolute. The respondents are at liberty to pass further orders which are legal and which are not tainted by any flaw. No orders as to costs.

5. The judgment in this case was not pronounced earlier because of the decision of the Supreme Court of India in the case of Amulya Chandra Kalita v. Union of India & ors. in Civil Appeal No. 1212/90 (JT 1990 (1) SC 558). However, thereafter, in Civil Appeal No. 2381/91, Dr. Mahabal Ram v. Indian Council of Agriculture Research & Ors., the Supreme Court has held that a Single Member Bench is competent to decide the cases when so authorised in terms of sub section (6) of section 5 of the Administrative Tribunals Act, 1985. Accordingly, this judgment is now being pronounced.

4. Jurisdiction of the Tribunal:-

The applicant declares that the subject matter
of the order against which he wants the redressal is
within the jurisdiction of this Hon'ble Tribunal.

5. Limitation:-

The applicant further declares that the application is within the limitation, as prescribed under Sec.21 of the Administrative Tribunals Act, 1985.

6. Facts of the Case:-

6.1 By way of present application, the applicant seeks to challenge the legality and validity of the arbitrary and illegal action of transferring the applicant - Khalasi, Class-IV employee, from Ratanpur to Kadana, notwithstanding the fact that as per the existing practice and policy of the respondent Department, the class-IV employees are not transferred outside the native district and in complete disregard of principle of 'FIRST COME, FIRST GO' inasmuch as many similarly situated employees working alongwith the applicant are retained in Ahmedabad Division from more than 10 to 15 years and the applicant only is picked and chosen for the impugned transfer with some ulterior and oblique motive, in a malafide manner. The applicant begs to challenge the impugned action of the respondents on the ground that the same is arbitrary, illegal, unjust and against the prevailing policy of the respondent Department.

6.2 The applicant was appointed as Khalasi, Class-IV, employee, with effect from 1-3-1973 at Ahmedabad. The applicant is having long service career and has worked with utmost sincerity and to the best satisfaction of the respondents, without giving any cause of complaint. The applicant was working at Ratanpur in Ahmedabad Division since 1985. The applicant submits that as per the consistent practice and policy of the respondent-Department, Class-IV employees like the applicant are not transferred outside their parent division or far from the native place. The applicant was appointed in Ahmedabad division and Ahmedabad is the native place of the applicant. The applicant submits that the contention of the applicant that Class-IV employees like the applicant are not transferred from their parent division far from the native place can be substantiated from the details given hereinbelow, wherein the Class-IV employees similarly situated like the applicant are never transferred from their parent division for 15 to 20 years, considering the fact that they are lowly paid class-IV employees and it would be very difficult for them to settle down from small centre to a big centre, as it would be very difficult to find cheap accommodation as well as the standard of living would be very high in the big centres.

The applicant craves leave to give following names of the employees working as Khalasi along with the applicant, who are never transferred from their original place for more than 15 to 20 years.

<u>(Sr.No.)</u>	<u>(Name)</u>	<u>(noti trans- ferred since)</u>	<u>(Working at)</u>
1.	H.N.Patel	10 yrs.	Ahmedabad
2.	L.M.Vankar	5 yrs.	Khaliayana (Ahmedabad Division)
3.	S.K.Parmar	18 yrs.	Ahmedabad Division
4.	Shivabhai K. Parmar	10 yrs.	"
5.	J.K.Puri	18 yrs.	"
6.	K.D.Waghela	16 yrs.	"
7.	I.R.Vania	16 yrs.	"
8.	M.M.Parmar	21 yrs.	Site no.10, Porbandar
9.	R.H.Joshi	10 yrs.	"
10.	D.N.Jadeja	10 yrs.	Site No.8, Porbandar.
11.	K.J.Jadeja	15 yrs.	"
12.	Danabhai P.Rathod	20 yrs.	Site no.9, Porbandar.

6.3 The applicant submits that from the afore-said facts, it is very clear that Class-IV employees

are not subjected to transfer as per the prevailing practice and policy of the respondent Department. The applicant submits that it is also the practice and policy of the department to keep Class-IV employees in the parent division nearby their native place. The applicant submits that the applicant was appointed in Ahmedabad division and Ahmedabad is native place of the applicant and, therefore, the applicant ought ~~not~~ to have been kept in Ahmedabad Division itself, near to his native place i.e. Ahmedabad. The applicant submits that however, to the great shock and surprise of the applicant, vide an order dated 4/7-11-1989 the applicant is sought to be transferred from Ratanpur, Sabarmati Sub-Division, Ahmedabad to Anas Dam site, Mahi Sub-Division, at Kadana in Panchmahals District, which is about 300 kms. far from the native place. Annexed hereto and marked as Annexure 'A' is the copy of said order of transfer dated 4/7-11-1989. The applicant submits that the aforesaid action of the respondent is absolutely arbitrary inasmuch as, as per the prevailing practice and policy of the respondent Department, Class-IV employees are not transferred outside their parent division. However, only the applicant has been picked and

(Ann.-A)

chosen for the impugned transfer. The applicant submits that, therefore, the impugned action of the respondents is in violation of Article 14 of the Constitution of India.

6.4 The applicant further submits that as it can be seen from the foregoing paragraph, Class-IV employees working along with the applicant are never transferred since last 10 to 15 years from their parent division. The applicant submits that the aforesaid fact itself is supporting the contention of the applicant that Class-IV employees are not subjected to transfer. The applicant submits that the respondents cannot act in an arbitrary and discriminatory manner inasmuch as the persons who are serving at a particular station are not transferred for 15 to 20 years though similarly situated like the applicant and only the applicant is subjected to transfer which is in violation of Article 16 of the Constitution of India. The applicant submits that, therefore, the impugned action is ex facie arbitrary, illegal, discriminatory and untenable in the eye of law.

6.5 The applicant submits that the applicant is staying at Ahmedabad with his family which consists of wife and 3 children. The applicant

submits that the minor children of the applicant are studying in Municipal School at Ahmedabad and, therefore, if the applicant is sought to be transferred at this point of time in the midst of term, the continuation of education of the children of the applicant would suffer and their career would be put to jeopardy. The applicant submits that moreover, the wife of the applicant is suffering from severe asthmatic disease and is under continuous treatment in the V.S.Hospital, Ahmedabad, since last 4 years. The applicant submits that if the applicant is placed to a very remote place in Panchmahals District, the wife of the applicant would not get adequate and appropriate medical treatment. The applicant submits that on the ground of hardship also, the impugned order of transfer requires to be quashed and set aside.

6.6 Even otherwise, the impugned order of transfer of the applicant requires to be quashed and set aside as being arbitrary, illegal, null and void.

6.7 The applicant submits that the impugned order of transfer dated 4/7-11-1989 was received by the applicant only on 15-11-1989 and the same has not been implemented so far. The applicant

is, therefore, required to be protected by appropriate interim relief, in the interest of justice.

7. Relief sought:-

The applicant prays for the following relief:-

- (A) YOUR HONOUR be pleased to quash and set aside the impugned order of transfer dated 4/7-11-1989 passed by the Executive Engineer, transferring the applicant from Ratanpur to Kadana as being arbitrary, illegal, null and void;

The applicant prays for following interim relief:-

- (B) YOUR HONOUR be pleased to stay the implementation, operation and execution of the impugned order of transfer dated 4/7-11-1989 quo the applicant, at Annexure 'A', pending admission, hearing and final disposal of this Application;

(C) YOUR HONOUR be pleased to grant such other and further reliefs, as are deemed fit, in the interest of justice.

9. Details of remedies exhausted:-

The applicant declares that the applicant has exhausted all the remedies available to him.

10. Matter not pending with any other Court/s, etc.:-

The applicant further declares that the matter regarding this Application, which has been made, is not pending in any other court or with any other authority or before any other Bench.

11. Particulars of Postal Order in respect of Application fee:-

Respondents : Union of India & others.

REJOINDER TO THE REPLY FILED
BY THE RESPONDENT NO. 2

I, A.B.Rathod, the applicant herein, beg to file this rejoinder in response to the reply filed by the Respondent No.2. I state that the averments and contentions which are not specifically admitted are categorically traversed.

(1) It is submitted that the respondent no.2 has filed reply on behalf of Respondent nos.1 and 3 also for which the respondent no.2 has no authority under the law and, therefore, the reply filed by the respondent no.2 on behalf of other respondents cannot be taken on record and the same cannot be considered while deciding the matter on merits. It is submitted that the respondent no.2 is not given any authority to represent the case on behalf of the respondent nos.1 and 3 and, therefore, the reply filed by the respondent no.2 on their behalf cannot be looked into.

(2) At the outset, it is stated that the respondent no.2 has filed a misleading reply so as to create a confusion before the Hon'ble Court. It is submitted that the respondent no.2 has stated in paragraph 1 and 2 of the reply that the impugned order of transfer is issued at the request of the applicant for his transfer. It is submitted that as a matter of fact, the request for transfer was made on 18-10-1988 as per Annexure 'VII' in a peculiar circumstances, with a specific request to transfer the applicant in Ahmedabad Division at Raska or at Kaira. In this view of the fact, since the applicant was given threats by some notorious villagers, the applicant had made the request for transfer before one and a half year. It is submitted that since at that point of time the said request was not adhered to, the purpose was defeated. It is submitted that it is of no use ^{transfer} to the applicant now after a span of one and half year that too at a place where the applicant had not requested for transfer. If the respondent no.2 wanted to oblige the applicant by transferring him as per his request, then the applicant ought to have been posted either of the aforesaid two places viz. Raska or Kaira, instead of transferring the applicant to Anas Dam Site, which is situated outside the State of Gujarat in Rajasthan. It is submitted that, therefore, the contention canvassed

by the respondent no.2 that the impugned transfer is as per the request of the applicant is nothing but an afterthought and ^acovers the story.

(3) It is submitted that on bare reading of paragraph 3, it transpires that the impugned order of transfer is issued by way of punishment inasmuch as it is stated in the said paragraph that as the work of the applicant was not found satisfactory and as the applicant used to remain absent from his duties and, therefore, the Assistant Engineer In-charge had recommended the transfer of the applicant vide letter dated 29.9.1989. It is pertinent to note that before transferring the applicant on the ground of aforesaid alleged misconduct or unsatisfactory work, the applicant is neither given any show cause notice nor any enquiry is conducted as to find the applicant guilty of the charges. It is further pertinent to note that the impugned order of transfer is based on memos issued in the year 1982 as can be seen from Annexure III and IV of the reply, which is absolutely arbitrary and illegal inasmuch as the said memos cannot be made a ground after a lapse of 7 years for the purpose of impugned transfer. Since the impugned transfer is by way of punishment, it was incumbent upon the respondent authorities to follow the principles of natural

87

-4-

justice before punishing the applicant. Since the impugned order is in flagrant violation of the principles of natural justice, the same requires to be quashed and set aside.

(4) It is pertinent to note that the contention of the applicant that other similarly situated Class IV employees working at different places as per the details given in Para 6.2 of the Main Application is substantiated by the admission of Respondent no.2 in paragraph 3 of the reply, wherein it is clearly stated that other officials are working for years together at one place is correct as their work is found satisfactory to their superiors. It is submitted that, therefore, it is a clear case of arbitrary and discriminatory treatment given to the applicant by the respondent no.2 as the applicant only is picked and chosen for impugned transfer, that too by way of punishment, without following any procedure under the law in consonance with the principles of natural justice. It is submitted that, therefore, the impugned order of transfer is in violation of Article 14 and 16 of the Constitution of India and the same requires to be quashed and set aside.

(5) It is submitted that the respondent no.2 has made false averments and ~~xxx~~ statement in paragraph 4 of the reply by stating that the transfer of applicant

to Anas Dam Site is on his request with a deliberate intention to mislead this Hon'ble Court inasmuch as on bare reading of the request application at Annexure VII, nowhere the applicant has stated that he should be transferred at AnasDam Site but on the contrary, the applicant has specifically requested for transfer at Raska or Kaira in Ahmedabad Division. It is submitted that, therefore, there is no question of transferring the applicant at Anas Dam Site under the guise of Request Transfer, as contended by the respondent no.2. Since the request made in 1988 was not adhered to at that time, it has to be treated as cancelled and, therefore, the same cannot be used against the applicant after a lapse of one and a half year for the purpose of impugned transfer. It is submitted that the person who was sought to be transferred vice the applicant, viz. Shri L.M.Vankar, at Sr.No.6 of the impugned order, has been retained at Galiana as he had never made any request for the transfer at Ratanpur and, therefore, his order of transfer is cancelled. It is submitted that notwithstanding the fact that the aforesaid person Shri L.M. Vankar is retained at Galiana and has not joined at Ratanpur and despite the fact that impugned order of transfer is stayed by this Hon'ble Tribunal, the respondent no.2 is not allowing the applicant to discharge his duties by taking law in his hands and the said contemptuous act requires to be dealt with

39

-6-

strictly by this Hon'ble Tribunal, in the interest of justice.

(6) In the above view of the matter, the impugned order of transfer requires to be quashed and set aside and the main application is required to be allowed with costs.

Written Statement on behalf of the respondents

No.1 to 3 to the petition and reply to the application.

.....

Sir,

It is most respectfully submitted as under:-

1. That the only applicant had not been transferred at his own cost but other Khalasis, Junior Observer, Work Sarkar Grade-II and III and also whose applications were received for their transfer at own cost copy of transfer order bearing No.MD/WC/E-1/89/8418-26 dt.4.11.89 attached as Annexure-I. Moreover all these transfers have been made under provisions contained in Sahasrabudhe Committee Report.

ANNEXURE-I

2. That the allegations made by the applicant in para 6.1 of O.A.No.495 of 22nd November, 1989 such as that his transfer has some ulterior and oblique motive, in a malafide manner are denied as they are baseless and carries no weight in view of the applicant's application for his transfer at own cost on any site zerox copy of such application is enclosed as Annexure-II. His transfer is also based on the Sahasrabudhe Committee Report.

ANNEXURE-II

3. That the allegation made by the applicant in para 6.2 of O.A.No.495 of 22nd November 1989 that his work was with utmost sincerity and to the best satisfaction of the respondent is denied as it is totally false and wrong as his work was never found satisfactory as can be seen from the Memos issued to him from time to time.

(Zerox copy enclosed) Annexure-VI.
- ANNEXURE-VI

Further it is also pointed out that the applicant ShriA.B.Rathod, W/C Khalsi had illegal affairs with one married lady of that village whose husband was working out of that place. When villagers came to know about this illegal affair of the applicant then the villagers might have threatened Shri Rathod(Applicant). The facts of threatening are also mentioned by Shri Rathod(Applicant) in his application dt. 18.10.88. (Zerox copy of this is enclosed) as

ANNEXURE-VII

Annexure-VII. The Assistant Engineer in charge of his Sub-Division had recommended the transfer of the applicant to any other place out of his Sub-Division vide his letter No.SSD/C-14/WC/89/1242 dt.29.9.89 (Zerox copy of this letter is

ANNEXURE-VIII

also enclosed as Annexure-VIII), on the ground that his work was not found satisfactorily and the applicant used to remain absent from his duties. The facts of illegal affairs of the applicant at Ratanpur with one married lady were also well known to the Police authorities of that area. The undersigned had confirmed these facts while making inspection of the site and enquiry of this case.

The contention of the applicant that other officials are working years together at one place is correct as their work ~~is~~ found satisfactory to their superiors. Moreover, they have not applied for their transfers. Further it is worth mentioning that the applicant himself had worked in Ahmedabad Division, but he was pushed out of the Division due to his misbehaviour, misconduct and unsatisfactory work rather neglegency towards his official duties. Further the contention of the applicant ~~are not~~ that Class-IV employees like the applicant are not transferred from their Parent Division is not correct. The applicant is transferred from one Sub-Division to another Sub-Division under the same Division. Normally no Class-IV is transferred but in the exigencies of Government work so warrants or due to some administrative reasons or request of the concerned applicant, the Government then makes the transfer.

4. That the applicant's allegations made in para 6.3 of O.A.No.495 of 22nd November, 1989 that it is the policy of the Government to keep Class-IV employees in the Parent Division nearby native place are denied. The word used here as Parent Division by the applicant is also wrong as this is one and the same Division only and question of Parent Division does not arise. The transfer of the applicant to the Anas Dam site is on his written request at own cost. Annexure-II as mentioned above may kindly be looked at.

5. That the applicant's allegations in Para 6.4 of O.A. No.495 of 22nd November, 1989 that the respondents cannot act in an arbitrary and discriminatory manner are baseless as the respondents have not acted in an arbitrary and discriminating manner, hence question does not arise.

6. That the applicant states in para 6.5 of O.A.No.495 of 22nd November 1989 that the applicant is staying at Ahmedabad with his family needs full justification by the applicant as his place of posting/duty was Ratanpur and he is supposed to be there at his headquarter place and not at Ahmedabad. That means applicant was not performing his full duty and leaving his headquarters for Ahmedabad which is against ~~Government~~ ^{Government} Rules and for that he is liable for disciplinary action as per standing rules of the Government in force.

7. That looking to the above mentioned facts the transfer order cannot be kept aside or quashed as requested by the applicant under para 6.6 of O.A.No.495 of 1989. The transfer order issued is quite in order and as per rules and based on Sahasrabuha Committee Report.

8. That the transfer order issued has already been implemented and cannot be protected by any appropriate interim relief as asked for by the applicant under para 6.7.

The interim relief prayed for by the applicant can't be granted and the entire period of his absence after his relief from Ratanpur site will be regularised by granting him leave of the kind due to him.

PRAYER

It is therefor prayed that the applicant's petition may please be dismissed with the heavy cost.

It has been verified from the attendance Register that you were absent from duty w.e.f. 22.7.1988 A.N. without giving information or submitting any leave application at site.

You are writting in your application dated 23.7.88 that in spite of the compromise made on 9.7.88 between the villager and you, as a consequence of quarrel, in the presence of sarpanch of Gadvel village at Kathlal Police Station, the villager and his companion came to attack on 22.7.88. It was your duty to register the complaint against the villager at police station Kathlal but instead of this you remained absent from duty to seek out an excuse for your transfer. As per inquiry from the villager, Sarpanch & Kathlal Police station it concludes that you are the defaulter giving the bad name to department.

Further you came to Division office with lawyer to serve a court notice to the department if the request of your transfer is not considered, which is against the CCS Rules. And moreover you are making direct correspondence with higher authorities which is against the Govt. rule and not a correct office procedure.

Looking into the above facts your leave application will not be entertained rather it will be treated as a willfull absence from duty.

You are hereby warned not to repeat such type of antisocial practice in future and desist from making direct correspondence with higher authorities otherwise a disciplinary action as given in CCS & CCA Rules will be taken.

Respected Sir,

I the undersigned A.B.Rathod is serving at present at Ratanpur, Dist: Kaira since last 3 years as Khalasi. I request for my transfer from Ratanpur to Raska or Kaira or Ahmedabad at my own cost for the following reasons:

વિષય:- દા-સકર કરવા બાબત અમદાવાદની જીકની કોર્ટપણ
સાઈડ ઉપર.

મહેરબાન સાહેબ જ્યારે ભારત સાથે જણાવવાનું કે હું મે.બી. રાઠોડ નમૂના પુર્વક
અરજ કરું છું કે તમોએ જે મને તારીખ ૨૩-૮-૮૮ ના રોજ ડીરચાર્જ કેમ નથી
લીધો તેના બારામાં આપ સાહેબને સાચી હકીકત જણાવેલ કારણ કે મારી
નાઈટ ડ્યુટી તા. ૧૬-૮-૮૮ થી તા. ૩૧-૮-૮૮ સુધી આપેલ હતી અને મેં ડ્યુટી
હું મારી મિલ્કત પુર્વક બજાવી રહ્યો હતો અને એમ.સી. બારોટ ત્યાં મોનિટરિંગ
ખલાસી બુખલાલને જ-માબીના તહેવારે રજા આપી હતી તે હું બીલકુલ જાણતો
ન હતો તેમ છતાં તમોએ ૯-૩૦ ના કોલમાં મારી સાથે વાત કરી હતી તે
પ્રમાણે મેં તમોને સાચી હકીકત જણાવી હતી, પરંતુ સાઈડ ઈન્ચાર્જ પી.જે. મહેતાએ
તેમના બનાવ માટે મને આરોપ મારી ઉપર મુક્યો છે, તે બીલકુલ ખોટું છે. અને
હું તા. ૨૮-૮-૮૮ ના રોજ ૧૨૦ મીટર લઈને ડાબીઝન ગયો ત્યાં આપેલ હતો
કરંટ મીટર બદલવા માટે પરંતુ તમોએ મને કહેવું કે આજનું કામમાં ડીરચાર્જ
જોઈએ પણ હું જ્યારે સાઈડ ઉપર ગયો હતો ત્યારે આર.જે. ડાબી અને હું મે.બી.
રાઠોડ, બેજ હાજર હતા અને કોસ્ટેટથી ડીરચાર્જ લેવાય તેમ ન હતો કારણકે
લેવલ વધારે હતું ૩૬.૬૫ માટે મેં ૬-૩૦ ના કોલમાં ડીવીઝનને જાણ કરી હતી
તે જાણ થો.

બીજી તમોએ મને લેડ ક્વાર્ટર્સ છોડવાનું નહીં તેવું જણાવેલ છે પરંતુ સાહેબને માલમ
થાય કે મારે ત્યાં રહેવામાં પુરેપુરું જોખમ છે, કારણકે મારે લપુશિયા જવાનો
પ્રશ્ન છે કારણ કે મારે ગામના માણસ રહી મોલન ડાબી સાથે અપકો થયેલ છે અને
મને જા-જી મારી નાખવા માટે ધમકી આપેલ છે તે જાણશે. કારણકે મારી ઉપર
તારીખ ૨૯-૬-૮૮ તેમજ તારીખ ૨૨-૮-૮૮ ના રોજ દીવસે ત્રણ વાગે હું નદીમાં

લેવલ જોવા ગયો હતો ત્યારે બહારના માણસો લાવીને મને બ્રીજ ઉપર
મેરો નાખ્યો હતો પરંતુ સમય સુચકતા જોઈને હું સામે ગામ ખલાલ ર
કીલો મીટર દોડીને ભાગી ગયો હતો ત્યારે મારો જીવ બચ્યો હતો.
નહીં તો મને જાનથી મારી નાખત તે ઉપરાંત હું તા.૨૩-૭-૮૮ ના રોજ
ડીવીઝન મોકીસમાં જાણ કરવાથી રાઠોડ સાહેબે મને રજા ઉપર ઉતરી
જવાનું જણાવેલ અને હું તા.૨૩-૭-૮૮ થી તા.૧૨-૧૨-૮૮ સુધી રજા ઉપર
જઈયો પરંતુ વારંવાર મેં બદલી માટે અરજ કરી હતી પરંતુ પરીણામ ન આવતા હું
તથા મારી પત્ની તથા મારા બાળકો ભૂમરતા હોવાથી મારા જીવની પરવા
જ્યાં સગર માફી કરજ ઉપર હાજર થયો હતો પરંતુ કરીથી મારી ઉપર તે
માણસે તા.૧૪-૧૨-૮૮ ના રોજ જ્યો હું બસમાંથી ઉતરો તો કરીથી પારીયુ લઈને

બીજુ મારી પત્નીને છેલ્લા ૧૦ વર્ષથી શ્વસસની બીમારી છે, તેનું કંટ્રીસ સ્ટેટમેન
વી.એસ. હોસ્પિટલમાં ચાલે છે તે આપ સાહેબ જાણ છો બીજુ સાહેબને માલુમ થાય કે
તમો મારા માટે એમો લખેલ છે તે બીલકુલ જુઠું છે મેં કોઈ દીવસ ડીસ્ચાર્જ લેવા માટે
