Heard Mr.Kartikey Raval, learned counsel for the  
applicant and Mr.P.S.Champaneri, learned counsel for the  
respondents.

We find that by Annexure A-4, page-15 of the applic-  
ation the respondents had given a reply to the applicant  
to inform him that the matter of his appointment as a  
Turner is under consideration/investigation of the  
headquarters in consultation with the unit/establishment  
concerned, and a further communication in the matter will  
follow in due course. This reply was followed by another  
reply dated 19th November, 1988 (Annexure-S) whereby

the applicant has been informed that his case being  
subjudiced <sup>M</sup> and he should await for Government approval.

It appears that the applicant filed application dated 13.6.1990 of which the respondents came to know. <sup>M</sup> They apparently did not furnish a further reply pursuant to their reply of 29th August, 1988 to the applicant. We are of view that the application filed in this Tribunal should not come in the way of the respondents to give the reply according to rules and law on the subject. Therefore we feel that this application can be admitted and disposed of with a direction to Respondent No.2, Director General, Electrical and Mechanical Engineering, Master General of Ordnance Branch, Directorate General of EME, Army Headquarters New Delhi to furnish a final reply to the applicant within a period of three months from the date of the receipt of this order. We hereby do the same. The application is finally disposed of without any order as to costs.
