- .. Respondents

O.A. No. 87 of 1991

O R A L - O R D E R

Dated : 2.8.1991

Per : Hon'ble Mr. M.M. Singh : Member (A)

This Original Application filed under section 19 of the Administrative Tribunals Act, 1985 has one material point for consideration. This point consistence^{8h} of the applicant on his own showing having signed on plain paper requesting his colleague to submit⁴⁻⁴ to opponent No.2 viz. Sub Divisional Inspector, Postal, Bhiloda. It is alleged that the colleague entered in this blank paper signed by the applicant as^{h text of} a letter of resignation. It is the contention of the respondents^{of resignation 4} in their reply that they had received a letter⁴ dated

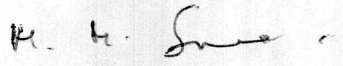

4

29.4.1991 from the applicant which resignation they accepted. By their acceptance of the resignation, the nexus of employer - employee came to an end between the respondents and the applicant.

2. On the face of it, it is half admitted by the applicant that he had^h signed on blank paper which was converted by his colleague to a letter of resignation. It is not for us to go into the investigation of an allegation which if at all correct has to be made^{by the subject of a complaint} by the applicant before appropriate authorities dealing with criminal complaint of the nature of fraud. The respondents had sufficient materials before them to accept the resignation.

3. In view of the above, the application deserves no further consideration before us. We hereby reject the same.
