ORAL ORDER

O.A. 483/93

Date: 06/12/1996

Per: Hon'ble Mr. V. Radhakrishnan : Member (A)

The case has been taken up for hearing at the request of Mr. Xavier and with the consent of Mr. Vin. We have heard both the learned counsels.

2. The applicant in the above mentioned O.A. was casual labourer who had worked under the control of D.R.M.. Bhavnagar for different periods of time. The main grievance of the applicant is that his name was not been placed in the Live Register maintained by the respondents. The applicant has annexed <sup>2</sup>copy of certificate issued by his superior authorities in support of his having worked as casual labourer. His main relief is regarding placing his name in the Live Register as per rules and to give proper seniority and subsequently to give reemployment to him in his turn.

191

After the application is filed Mr.Xavier, the learned counsel for the applicant stated that the applicant was prepared to forego his seniority in the Live Register and is prepared to be placed at the bottom of the Register and on that basis delay in filing the application was condoned and the application was admitted.

3. Mr.Xavier states that at present the recruitment of casual labourers is going on and if the case of the applicant is not considered, he may lose his right of the appointment. He is prepared to persuade the applicant to put forward his case along with whatsoever documents that may be available with him, so that the respondents can then verify his claim and take necessary action to place him in the Live Register at bottom seniority. Accordingly the applicant is directed to produce the necessary documents through <sup>his</sup> ~~the~~ advocate Mr.Xavier to the <sup>Bharnagar</sup> DRM or his representative on a date to be given by the DRM and after taking into account the evidence produced by him the respondents are directed to examine the case with reference to the records available with them i.e. casual labourer register and/or original paid voucher maintained by them as per Sub-Rule (V) of Note 2, Rule 2001 of I.R.E.M. Vol.II, 1990 Edition. Incidentally Mr.Xavier for the applicant states that in fact such a verification with reference to the paid vouchers had been made by the respondents in 1994 for reengaging some casual labourers and that too with original dates of engagement as far back as 1961. After completing

101

the above exercise if the claim of the applicant is proved to be genuine his name shall be placed at the bottom of the Live Register and he shall be reengaged per his turn by the respondents. In case the application is rejected the respondents shall in suitable speaking order. The above exercise shall be completed by the respondents within 45 days from the receipt of a copy of this order. In case the order of the D.R.M. is against the applicant, he shall be at liberty to revive the O.A. if so advised. In the above directions, the above O.A. stands dismissed. No order as to costs.

**Advocate : Mr. R. M. Vin**

**JUDGMENT**  
**O.A 483 of 1993**

**Date : 05/01/2001**

Per Hon'ble Shri. A. S. Sanghavi : Member (J).

This O.A was earlier decided on dated 6.12.96 by my learned brother Mr. V. Radhakrishnan, Member (A) with the following directions to the respondents :-

✓  
"3. Mr. Xavier states that at present the recruitment of casual labourers is going on and if the case of the applicant is not considered, he may loose his right of the appointment. He is prepared to persuade the applicant to put forward his case along with whatsoever documents that may be available with him, so that the respondents can then verify his claim and take necessary action to place him in the live register at bottom seniority. Accordingly the applicant is directed to produce the necessary documents through his advocate Mr. Xavier to the DRM Bhavnagar or his representative on a date to be given by the DRM and after taking into account the evidence produced by him the respondents are directed to examine the case with reference to the records available with them i.e. casual labourer register and / or original paid voucher maintained by them as per Sub-Rule (V) of Note 2, Rule 2001 of I.R.E.M. Vol. II, 1990 Edition. Incidentally Mr. Xavier for the applicant states that in fact such a verification with reference to the paid vouchers had been made by the respondents in 12994 for re-engaging some casual labourers and that too with original dates of engagement as far back as 1961. After completing the above exercise if the claim of the applicant is proved to be genuine his name shall be placed at the bottom of the Live

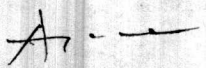

*Register and he shall be re-engaged as per his turn by the respondents. In case the application is rejected the respondents shall pass a suitable speaking order. The above exercise shall be completed by the respondents within 45 days from the date of receipt of a copy of this order. In case the decision of the D.R.M. is against the applicant, he will be at liberty to receive the O.A if so advised. With the above directions, the above O.A stands disposed of. No order as to costs."*

2. After the above directions were given, the applicant appears to have moved the authorities concerned for enlistment of his name in the live register. However, according to the applicant the DRM by his speaking order dated 15.4.97 has rejected the representation of the applicant for being enlisted in the live register. The applicant therefore moved the M.A 692 of 97 on dated 10.7.97 for revival of this O.A and as per the order dated 7.7.98, this M.A. was allowed and the O.A is revived.

3. Mr. Xavier for the applicant has made a grievance that even though specific directions were given by this Tribunal the respondents have not considered the case of the applicant and on the grounds extraneous rejected the application of the applicant. Unfortunately, neither the applicant nor the respondents have brought on record the copy of the speaking order on record and we are therefore not in a position to find out on what ground the DRM has rejected the application of the applicant. When it is not known on what ground the application is rejected, we cannot conclude that the said order is baseless, illegal or misconceived or perverse. We also cannot come to a definite conclusion as to whether the relief prayed for in this O.A deserves to be allowed or

not. We had once already directed the respondents to consider the representation of the applicant after verifying his claim on the production of the documents that may be available with him and take necessary action to place him in the live register at bottom seniority. Since speaking order is not brought to our notice and the copy of the said order is not made available to us, it is not possible for us to find out whether any documents were made available to the DRM by the applicant and whether the DRM had verified the claim of the applicant and found the same to be untenable. Under the circumstances, we are not in a position to give any direction to the respondents. The O.A therefore deserves to be rejected and in the conclusion, we reject the O.A with no order as to costs.
