~~However,~~ We find from the proceedings dated 11.7.1994 that the controversy between the parties is whether the applicant had put in 586 days of work as stated by the respondents or he had put in 1231 days as contended by him. The case was adjourned and fixed today as Mr.Panchal for the applicant stated that the applicant will produce salary slips showing that he had put in 1231 days

of work. The respondents were also directed by us to produce evidence in their custody showing that the applicant had put in only 586 days of work. ~~Mr. Shevde~~ ~~on behalf of the respondents No. 1 to 3 is also not present.~~ In the circumstances, we find that it would be more appropriate and just to direct the applicant to make a representation for regularisation attaching ^{herewith} with their all the evidence, which he may have with him to show that he had worked for 1231 days. The applicant may make such a representation to the respondents within a period of 3 weeks from today and, if he accordingly makes a representation, the concerned respondents are directed to consider and take a decision on his representation within a period of 10 weeks from the date of receipt thereof by them and to pass appropriate orders regarding his regularisation bearing in mind the numbers of days ^{for} ~~of~~ which he had in fact worked. With these observations, the O.A. stands disposed of, ~~accordingly~~. No order as to costs.
