The applicant was working as ~~the~~ EDDA of Bananda Biunria Branch Office. During his service for a certain period he was put off duty on account of a disciplinary proceeding. After the conclusion of the disciplinary proceeding, he was reinstated in service but he was not ^{given} ~~getting~~ any allowances for the period he was put off duty which was prior to August, 1981. Subsequently the applicant informed the Postal Authority i.e. Inspector of Post Offices vide his letter dtd. 14.1.1985 vide Annexure-R/9 that he was aged ~~about~~ ^{there} more than 65 years though ~~he~~ was no record of this date of birth. Acting on this, the local postal authority allowed him to retire and thereafter he made application for his pensionary benefits. The applicant in his application has averred about providing a house for the Branch Post Office for which he claimed rent but his claim was refused. He has also averred that he is entitled to allowance during his put off period, though while claiming the relief in para-8 of his application he has confined ^{ed} ~~to~~ ^{the} ~~it~~ grant of Ex-Gratia gratuity.

2. The Respondent has mentioned that the applicant is entitled to Ex-gratia gratuity but he has to submit a certificate of fitness from the competent medical ^{practitioner.} ~~practitioner.~~

3. Mr. Mohanta learned counsel for the applicant ^{contends} ~~contains~~ that it is really impossible for the applicant to obtain a certificate about his state of health at a point of time anterior to his retirement after the lapse of two to three years. Mr. A.K. Mishra, learned Senior standing counsel for the postal department, has urged that in the service book of the applicant the date of birth was mentioned and according to that date of birth, the applicant would not have been 65 years of age on the date he submitted Annexure-R/9. ~~W~~ Therefore his submission of the medical certificate has been necessary. What-ever might have been recorded in the ~~Service Roll~~ of the applicant as his date of birth, the fact remains that he had himself admitted to have attained the age of 65 on the date he submitted Annexure-R/9. A statement made by a person often operates, ^{estoppel,} ~~has~~ ^{as} ~~stuffle~~ here is a case where Annexure-R/9 the applicant appears to have made a statement ^{being} ~~in~~ fully ^{conscious} ~~concise~~ of its natural ^{consequences.} ~~conciseness~~. Not only that, the postal department accepting that allowed him to retire, this conduct of the postal department works as ^{estoppel} ~~a~~ ^{against} ~~stable~~ against their subsequent ^{asking} ~~trained~~ for medical certificate.

4. In view of ~~these~~ circumstances, we direct that the applicant be paid his Ex-gratia-gratuity as per the rules within one month from the date of the receipt of the copy of this judgement. The case is

accordingly disposed of.
