JUDGMENT

MR.K.P.ACHARYA, VICE-CHAIRMAN: In this application petitioners (two in number) pray that the petitioner No.1 should be considered for promotion to the post of Junior Technical Officer (Motor) and petitioner No.2 should be considered for promotion <sup>to J.T.O.-Grd.I</sup> (Radar) and if they are found to be suitable, promotion should be given to both of them.

2. Shorn of unnecessary details, it would suffice to say that both the petitioners are at present working as Junior Technical Officer Gr.II as Motor/Radar in ARC, Charbatia. Both of them claim for promotion to Junior Technical Officer Gr.I and such promotion having been denied to them this application has been filed with the aforesaid prayer.

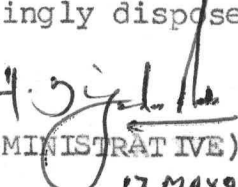

3. In their counter the opposite parties maintain that in the absence of recruitment rules cases of the

petitioners were rightly not considered for promotion and no illegality having been committed in the matter of their promotion, the case is devoid of merits and is liable to be dismissed.

4. We have heard Mr. P. Palit, learned Senior Counsel appearing for the petitioners and Mr. Ashok Mishra, learned Sr. Standing Counsel appearing for the opposite parties.

5. Vide order dated 15.12.1992, this Bench had directed OP Nos. 2, 3, 4 and 5 to consider the cases of both the petitioner No. 1 for promotion to the post of Junior Technical Officer Gr. I (Motor) and petitioner No. 2 for the post of Junior Technical Officer Gr. I (Radar) and opinion of the DPC or any other competent authority should be kept in a sealed cover adjudging their suitability. To-day Mr. Palit and Mr. Ashok Mishra submitted that the result of the test in respect of the candidates other than the petitioners have already been declared and they have been given promotion. Rightly Mr. Palit urged that the result in respect of both the petitioners kept in a sealed cover should now be disclosed and in case the petitioners have turned out successful in the test they should be given promotion to the post of Junior Technical Officer Gr. I Motor/Radar respectively and in case they are not successful they are not entitled to <sup>their</sup> promotion. Since the learned Sr. Standing Counsel submitted that the recruitment rule has already come into force, it is directed that the result of the test taken by the petitioners kept in a sealed cover should now be published and in case the petitioners have turned out successful, promotion should

be given to them to the post of Junior Technical Officer Gr.I (Motor/Radar) and in case they are found to be not successful, question of promotion to the post in question does not arise. Thus the application is accordingly disposed of. No costs.
