Petitioner is one of the candidates for the post of E.D.S.P.M., Padmapur E.D.S.O within the District of Cuttack. It is an admitted case of the parties that his case is not being considered because the income certificate given by him pertains to properties standing in the name of himself and his two other brothers. Previously in several cases we have taken the view that every co-sharer has a particular defined interest in the property and income from the property in respect of his interest in his property is to be taken into account. This legal position laid down by us has not been set aside as yet. Therefore, it is directed that the competent authority should take into consideration the income from the one third ~~part~~ of the property standing in the name of the three brothers.
