ORDER

MR.SOMNATH SOM, VICE-CHAIRMAN: In this application under Section 19 of the Administrative Tribunals Act, 1985, the applicant has prayed for compassionate appointment under the respondents.

For the purpose of considering this Original Application it is not necessary to go into too many facts of this case. According to applicant, his father, Shri Jagabandhu Behera was serving as Civil Mazdoor and he died in 1995 while in service. After the death of his father, the applicant's family was in financially distressed conditions and therefore, he applied for compassionate appointment, which has not yet been given to him. Respondents in para-6 of their counter have stated that the applicant had wrongly addressed his application for compassionate appointment which was redicted^{see} to them after some time. Thereafter his case was considered^{sd/som} and a recommendation has been made by the local authority to give him compassionate appointment. Accordingly, the Board of Officers which is the higher authority for deciding the case for compassionate appointment have considered his case and approved him for giving compassionate appointment in his turn.

2. We have heard Shri R.N.Mohanty, learned counsel for the applicant and Shri J.K.Nayak, learned Addl.Standing Counsel appearing for the respondents and also perused the records. In view of the fact that the applicant has already been approved for compassionate appointment and that he has to be provided the same in his turn, it is not necessary for us to pass any further

7/12
orders in this application. We however, note the averment of the respondents made in para-6 of the counter that the applicant has been approved for compassionate appointment and he will be given the same in his turn, In view of this, the prayer of the applicant having been substantially met by the respondents, this application does not survive and the same is therefore, disposed for for having become infructuous.
