ORDER DATED 9-12-2002.

Heard the counsel for both sides.  
Mr. R. C. Rath, learned standing Counsel for  
the Railways appearing for the Respondents  
submitted the following facts with the help  
of the pension calculation sheets and the  
service book of the Applicant. I have also  
perused the same. From the service book  
of the Applicant, I find that the Applicant  
was drawing the pay of Rs. 1520/- w.e.f.  
1.2.90 and Rs. 1560/- w.e.f. 1.8.90. The  
Applicant retired in February, 1991. Accordingly  
the ten months' average pay of the Applicant  
on his retirement was correctly calculated  
to Rs. 1551/-. In view of the above, the grievance  
of the applicant that his pension has not  
properly been calculated does not stand

scrutiny of the facts of the case. In the circumstances, his other grievance that he was also entitled higher amount of gratuity treating his last pay drawn as Rs. 1560/- also does not have any leg to stand. In view of the facts of the case, I do not see any merit in this Original Application which is accordingly disposed of as infructuous but however, without imposing any costs.
